FUN IN THE SUN!

For most students, summer is a time to have fun and enjoy the time out of school. This summer, for many, was spent on the beach, at home in the South Bay or at far away beaches like the exotic Bahamas.

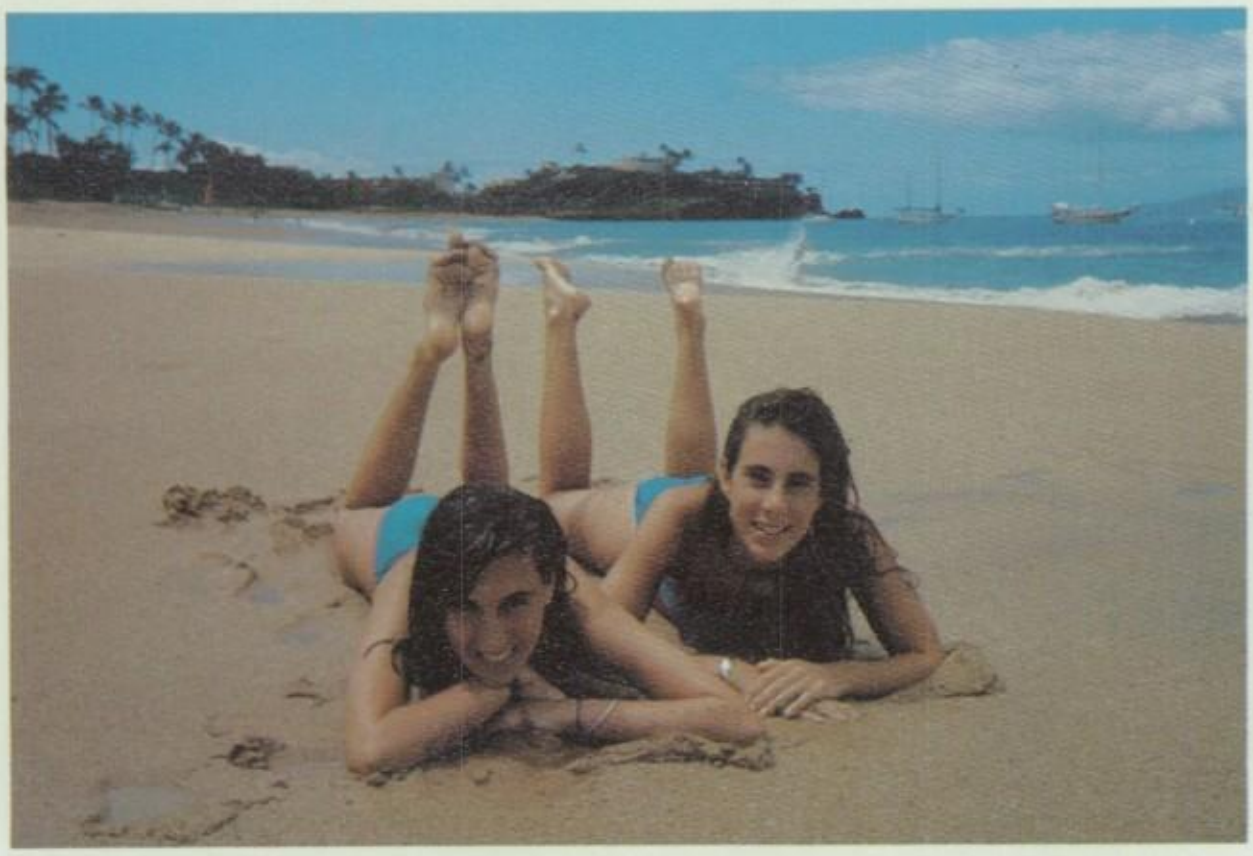
For some students this summer, plans to go to Europe were cancelled because of the fear of terrorism. As a result, a lot more people stayed home or traveled to get-a-ways close by. This was the summer of Expo '86 so some students went to Canada to see the exhibits from different countries. And, of course, a lot of students went to Hawaii and Mexico. In the South Bay, the summer wasn't extremely hot but it was a fun one. On the fourth of July, the Strand and beaches were crowded and many watched the Ironman contest in Hermosa Beach. Other great attractions on the beach were the Surf Festival and the Manhattan Open. Several Mira Costa students could be found participating and watching these two annual events.

While touring England, ***Christine Lutton*** was lucky enough to see the Royal Wedding.

Laughing it up on the beaches of Bermuda, ***Scott Crosby*** and ***Steve Cady*** catch some rays.

Playing in a local tournament, ***Doug Foust*** thrills the crowd with his volleyball ability.

At the Florida Epcot Center, ***Reneé Williams*** and ***Wendy Hillger*** fantasize about the mysterious Orient.



On the beaches of Maui, ***Dana Mitroff*** and ***Jessica Mullins*** pray for sun.

At the Manhattan Open, Singin Smith takes time out to pose with his avid fans, ***Autumn Maher*** and ***Kisha Brakel***.

Nanette and Mark Hilton try out a tandem bike at Expo '86 in Canada.

Overlooking a fjord in Norway, ***Stefani Stratton*** poses for the camera.

While riding in Hungry Valley, ***Mike Hargett*** catches air in an off-road vehical park.

WELCOME BACK

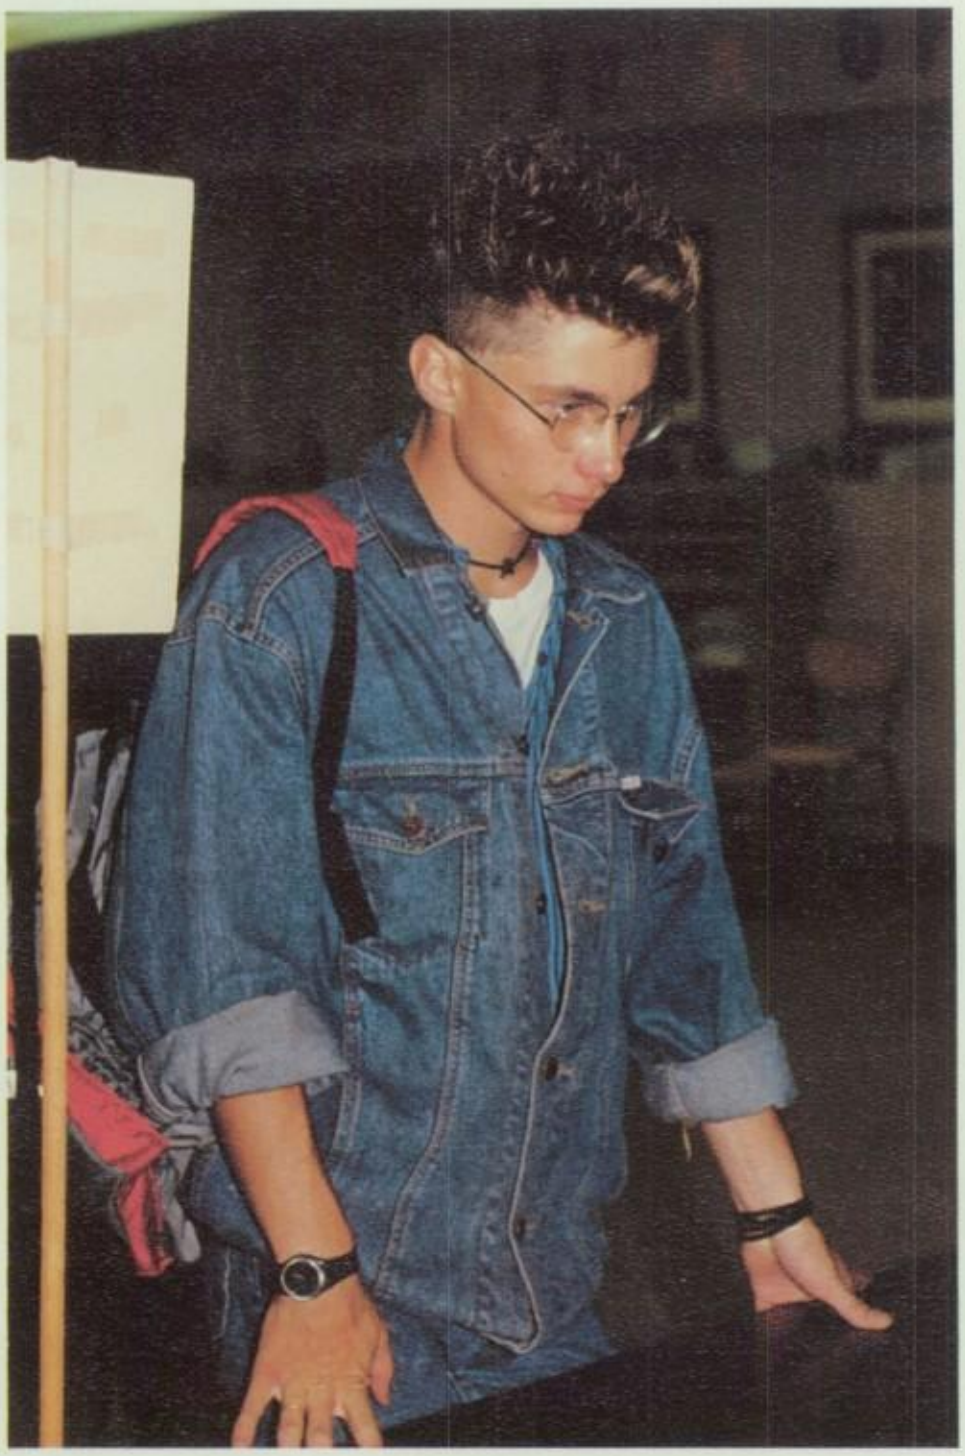
This years registration stirred mixed emotions amongst the student body. Some were real excited to see their friends and exchange schedules, but others were not ready to end their summer yet.

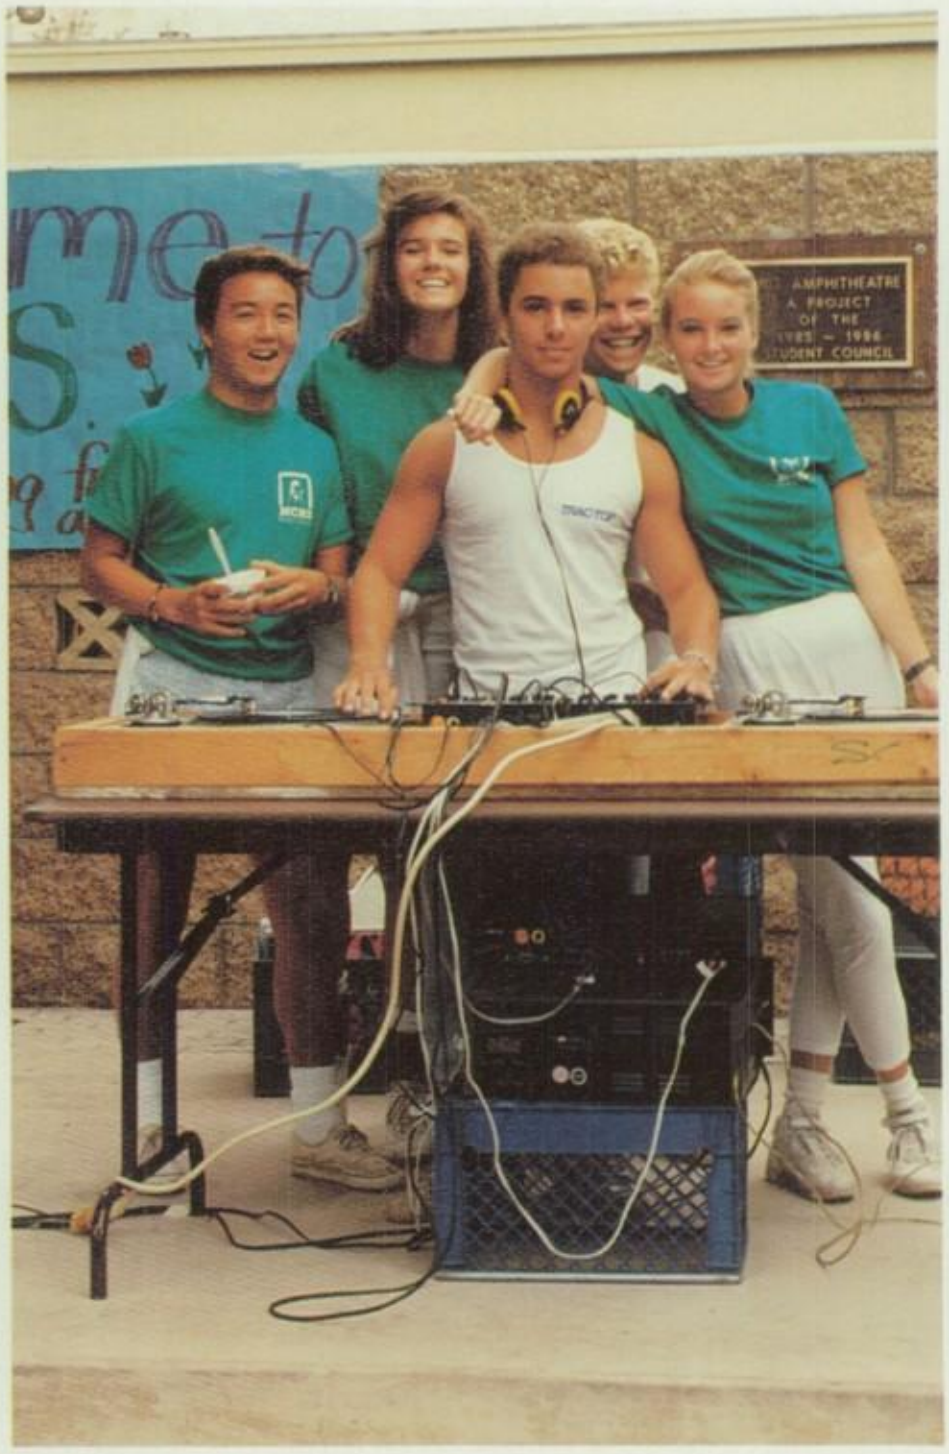
The incoming freshmen were welcomed to their new school by the faculty and the student council on the day of the Freshmen Orientation. "We arranged for a D.J. and complementary Penguins yogurt to help these new, young Mustangs feel more at ease." stated **Danielle Halstead**, the Commissioner of Entertainment.

Over all, registration ran quite smoothly and thus set a hopeful example for all activities for the rest of the year.

Debbie Millar, Dana Mitroff, Lan-Ling Wolfe, Bonnie Mills, and Gina Padilla take time off from registration to enjoy complimentary Penguins yogurt.

Some enthusiastic mustangs exchange schedules at registration.





Showing true enthusiasm for the registration process, **Boris Paterok** waits patiently.

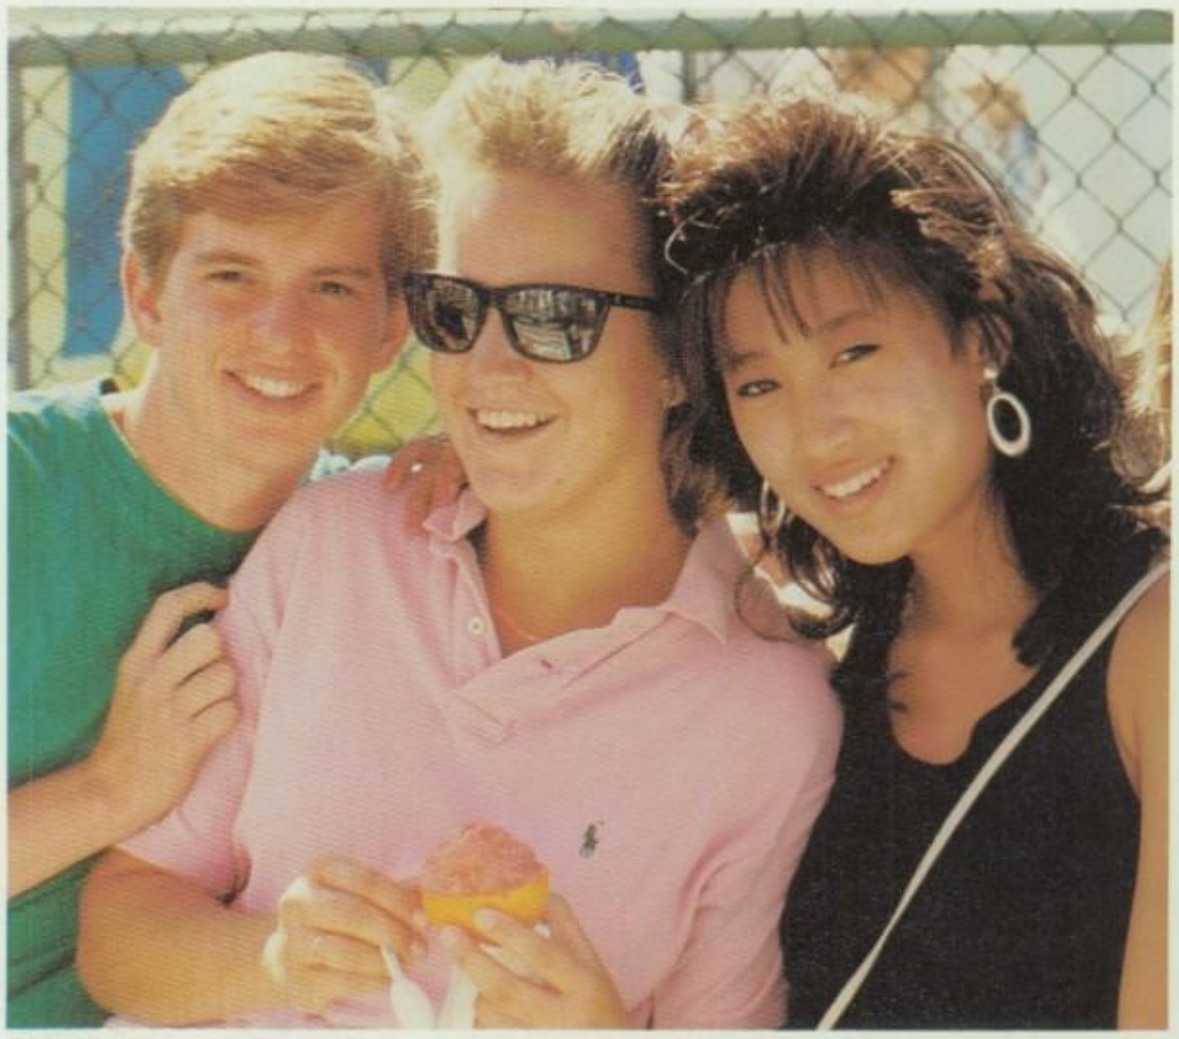
FAIR PLAY

On your mark, get set, and they're off! At 7:30 a.m. sharp, the shot from the gun sent many Manhattan Beach residents off and running in the traditional 10K Race, on the most beautiful Saturday morning of Hometown Fair history. These runners were the first to experience the warmth of the weather that this years Fair weekend was so kindly provided with. Throughout the fair grounds, Mira Costa students could be seen everywhere, whether it was working hard in one of the many Costa booths or merely eating food, playing games or simply enjoying the company of friends and family. The one booth that did exceptionally well this year belonged to the Sophomore Class. They sold lemonade, which was so popular because of the hot weather, that it sold out before the end of the fair on Sunday. All in all, this years fair can be summed up as a "Hot One."



David Hessell, Marcy Harris and ***Helen Na*** huddle together and display how fun the company of friends can be at the fair.

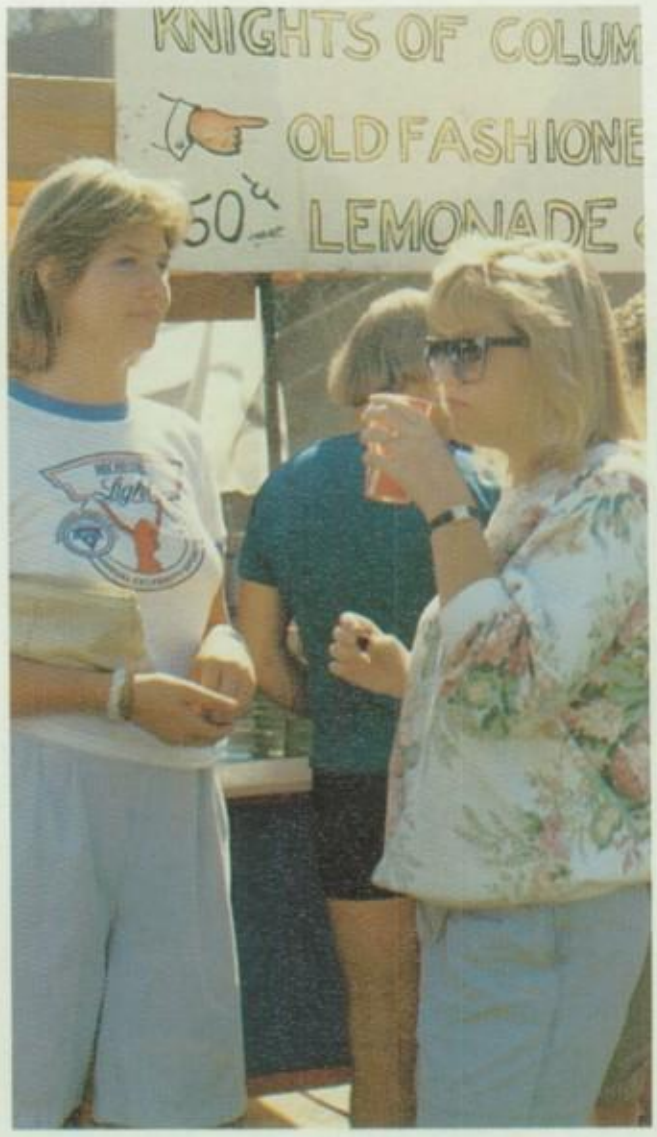
Rachel Stevens and ***Jenna Savran*** each have a coke to keep them cool in the hot weather.

Sharon Fujikake spends the day cutting lemons in order to keep up with her famous fast selling Sophomore Class lemonade.

Jeanne Mc Adara and ***Theresa Leone*** are spotted through the crowd smiling big and enjoying the food and drink of the fair.

Eun Ah Kim, Erik Straser and Heather Bridwell work hard at Girls' League booth selling frozen bananas for only $1.50.

Steve Cady and Ian O'Keefe recommend the pizza for lunch.



Caroline Plier and Amy Melman disguise themselves while they have a bite to eat.

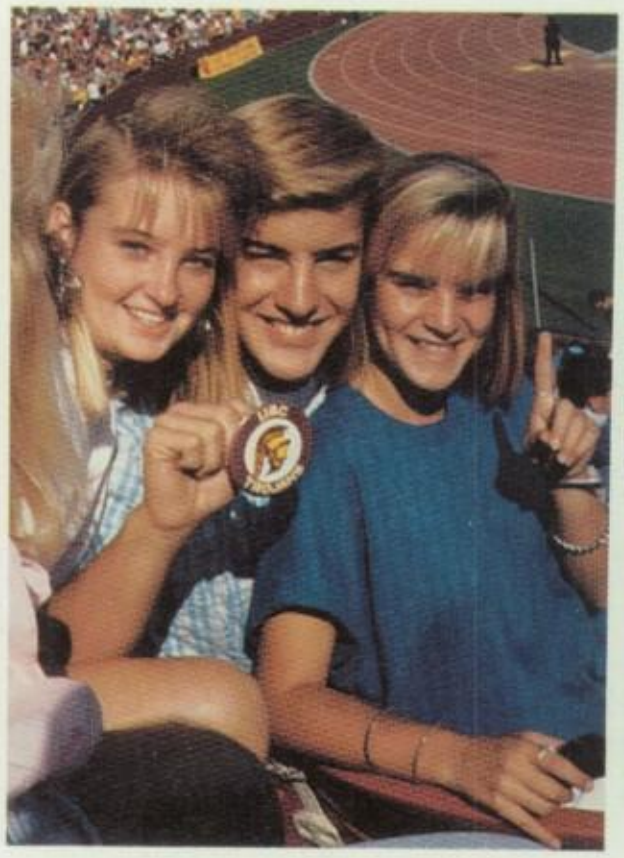
Kim Welch and Eden Wilmot inspect each direction to see where they'll be headed next.

TWO DAY VACATION

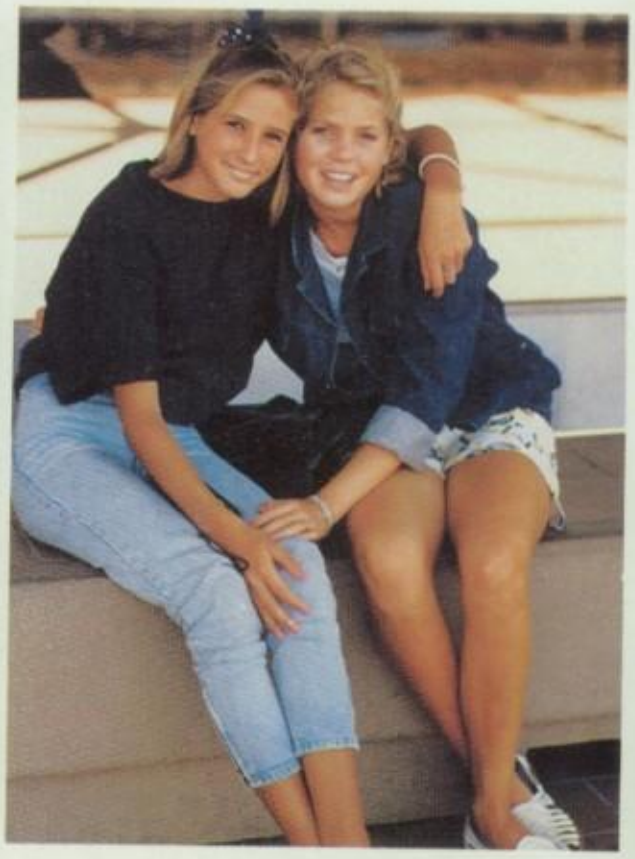
First, the Monday blues hit, then the mid-week crisis, on Wednesday and finally ... its Friday; time again for a long overdue weekend.

Weekends mean different things to different students. To some it means getting their homework done, going out with friends, working their jobs, and for more than a few, it means catching some much-needed shut-eye.

No matter what the activity, everyone looks forward to weekends!



Loyal Trojan fans, **Danielle Halstead**, **John Golob** and his sister, **Anne**, root USC on at a home football game.



On a weekend trip to San Francisco, **Samantha Lockett** and **Tara Epstein** take in the local color.

While in Magic Mountain, **Karen Burd** and **Janna Styskal** get to know Daffy Duck.

Waiting for a court, **Lauri Dowling**, **Michelle Compton**, **Amy Maurry**, and **Cindy Mixor** warm up for their weekly tennis game.

Getting ready for a night on the town, a group of girls pose for the camera.

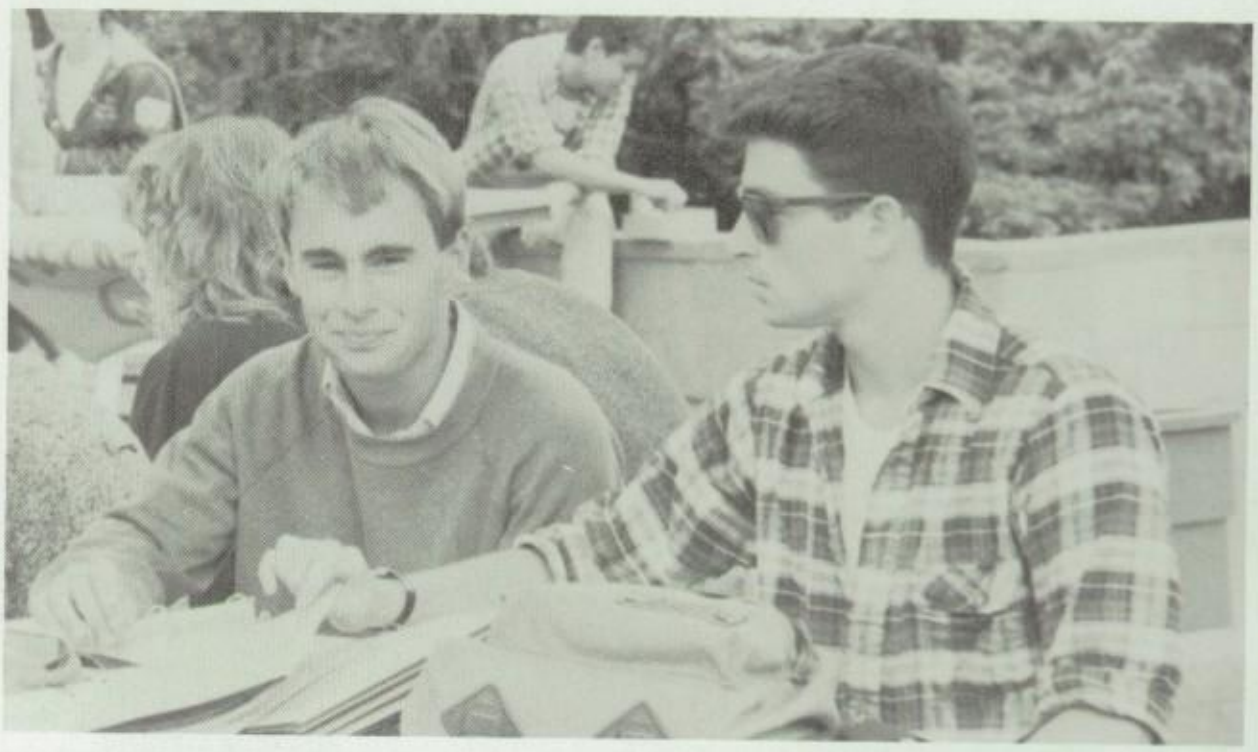
WHAT A DAY!

Club Day! What a way to break away from the routine of a usual lunch period. Not only were students able to purchase food not normally available on campus, like frozen bananas, but it was also the time to sign up and support the numerous organizations on campus. The Spanish club, Physiology club, S.Q.U.I.D., Interact, Girls League, Key club, the Mountain Explorers, and the Thespians all participated in this now annual event. Good times were had by all, for Club Day provided a lively atmosphere to buy some great food, sign up for your favorite clubs, or just enjoy the shorter food lines.



Heather McDermid and ***Annmarie Loya*** look on to the activities at the Interact booth, while ***Rhonda El-Biali*** and ***Jacqi Attwood*** are content with their own lunches.

At the Key Club table, ***Peter Tatikian*** and ***Paul Allen*** show just how fun it is to work during lunch.

Linda Newcomb tries to help ***Carrie Sauber*** and ***Amy Shankle*** decide what club to join.

Shannon Murray proves that eating a frozen banana can be quite messy, and *Stacey Peterson* enjoys watching her trying to be careful.

A Mira Costa "terrible towel", on sale for Girls League, is proudly displayed by *Sherri Padilla*.

Christine Nixon holds her Club Day balloon, while *Ray Hodges* can't seem to express his excitement.

Awaiting those interested in joining Interact, *Helen Na* manages to put on smile, hoping to draw members, while *Erin Wiley* assists.

WHAT A SUCCESS

The largest audience Mira Costa has seen in the last five years, showed up to see the fall play production of ARSENIC AND OLD LACE. This was a story about a newphew named **Mortimer** (played by **John Kadow**) with two insane aunts (played by **Genny Guneau** and **Dana Mitroff**) who poisened lonely elderly men and buried them in the cellar. Meanwhile, **Mortimer's** psychopath brother **Jonathan**, (played by **John Golob**) shows up with a corpse of his own. This play also had wonderful exploits of **Teddy** (played by **Tony Hill**) who thinks he is Teddy Roosevelt, and **Elaine** (played by **Melissa Simon**) as **Mortimer's** financee.

All in all, this was quite a success. As quoted by **John Golob**, "I'm glad I was given the chance to participate in this event and am quite happy as to the success of the play!"

Dana Mitroff and **Genny Guneau** display their excellent acting ability.

The actors and actresses have a heated conversation at the dinner table.

John Kadow shows a sign of surprise as **John Golob** ties him to a chair.

During rehersal, **John Golob** flips **Josh Speare**.

Tony Hill looks on while **Michelle Hinkley** does the make up of **John Golob**.

Melissa Simon shows her surprise as Jason Guibert enters on the scene.

FRIDAY NIGHT FEVER!!

The fourth quarter of the football game is over and the mob dashes to the gym, where another Mira Costa after game dance begins. The after game dance is another popular event put on by the ASB Student Council. You can find many students getting down to the music of local D.J.s that play until 11:00 P.M. Each dance provides an opportunity for students to participate in student activities, meet new people and find out the plans for the upcoming weekend.

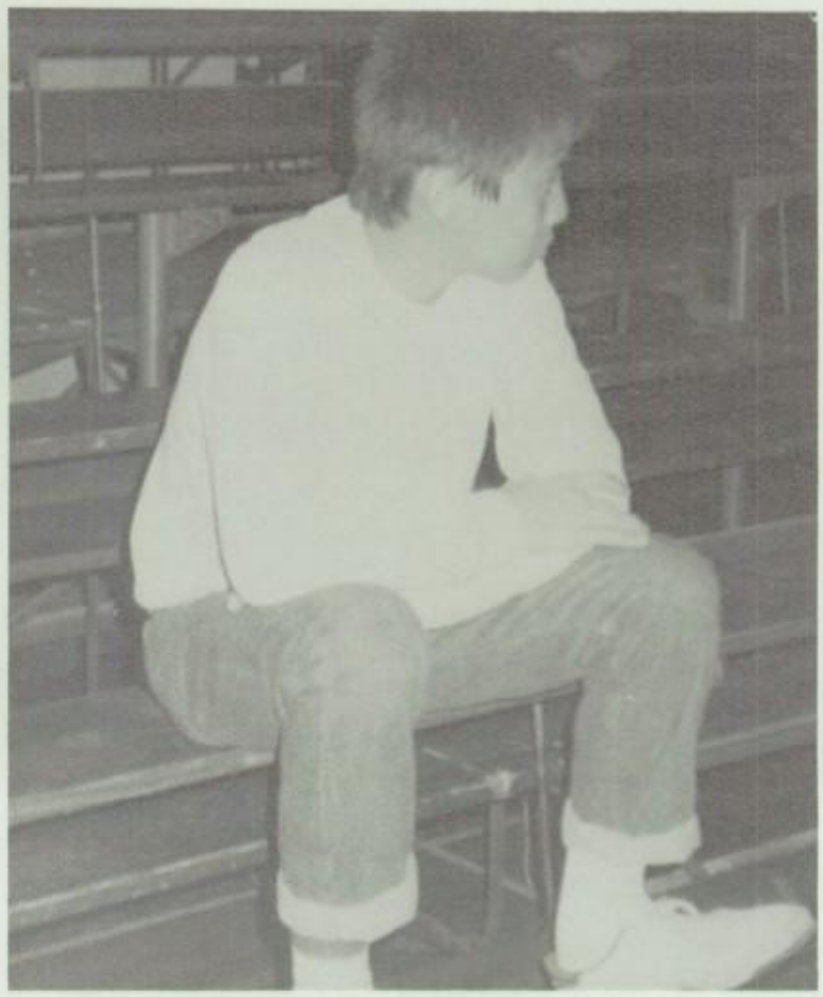
Some mustangs "hang Loose" after a football game.

Leslie Ungar raps to Run DMC while Dana Smith and Barbara Rickerd boogie to the beat.

Selling the tickets to this exciting event, Lisa Eisma, Karen Burd, and David Hessell always have smiles on their faces.

Brian Gross has that Friday night fever.

Tiffany Bliss laughs at Eric Schipper's latest dance moves.



While checking out the variety of girls to dance with, Andy Lew sits and thinks of the perfect line.

Out of the Melvin Mustang disguise, Terry Noble feels the beat.

Showing their true friendship, Jen Weems and Casie Davis smile for the camera.

Adam Spazek and Linda Newcomb dance the night away.

WHAT A STUD!

This years process of selecting student of the Year was different. Both students and faculty nominated a senior. This list was comprised, and faculty heads and Administration chose the student of the Year. The 1987 Student of the Year was *Lisa Eisma!* Lisa has been very involved in co-curricular activities as well as service and community involvement.

Lisa was a speaker for the Manhattan Beach Police Department for the D.A.R.E. program. She was also recognized as the U.S.C. outstanding student (1986). Lisa also has had many leadership roles. She was Freshman Vice President and Sophomore, Junior and Senior class President, as well as the captain of the Junior Varsity cheerleading squad. To add to this, Lisa was the South Bay Union High School District Advising Board Student Representative. Lisa was involved in both Drama and Dance, staring in many Theatrical performances. She successfully accomplished sealbearer status. Lisa also has many school service activities including Girls league, Key Club, and Interact. She was also in W.A.S.C. Student Committee Member.

Lisa is not only known for her service, academic excellence and leadership, she also is known for her consideration and positive attitude. She can always be seen smiling and being her spunky self.

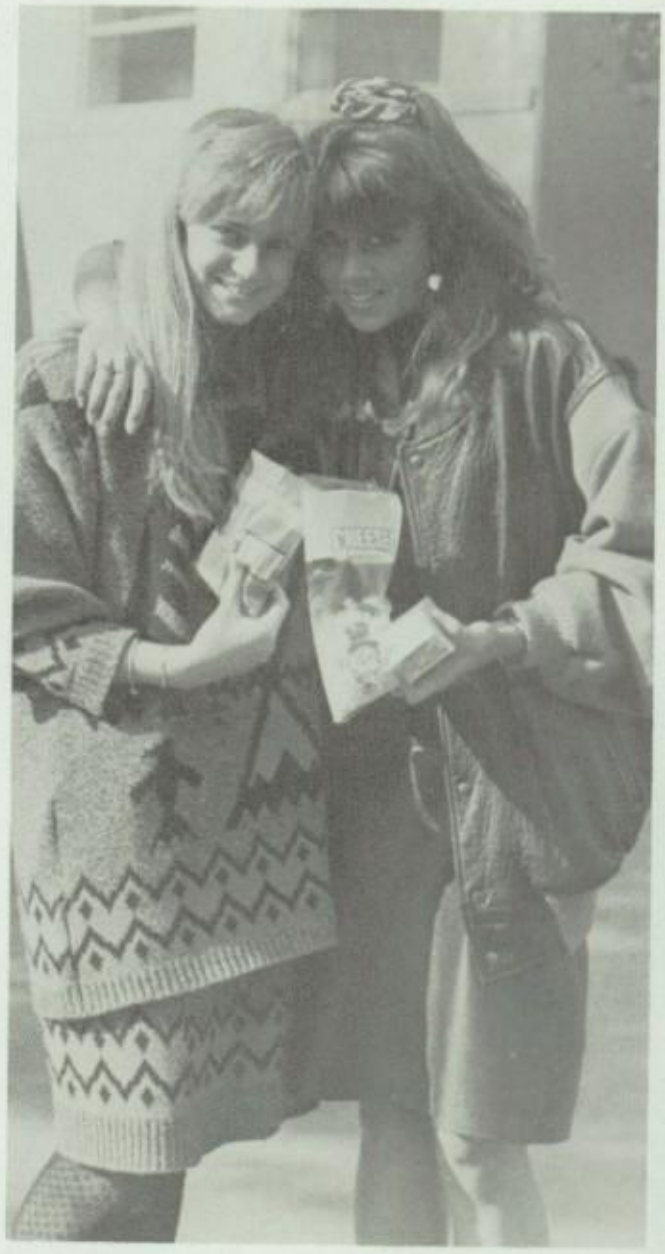
LA MODE

"In french, "la mode" means "fashion". At Mira Costa, this word is important to most students. Trends are always a part of high school life. As each year comes and goes, so do different styles and trends. From footwear to hairstyles, trends could be seen everywhere, in any shape and size.

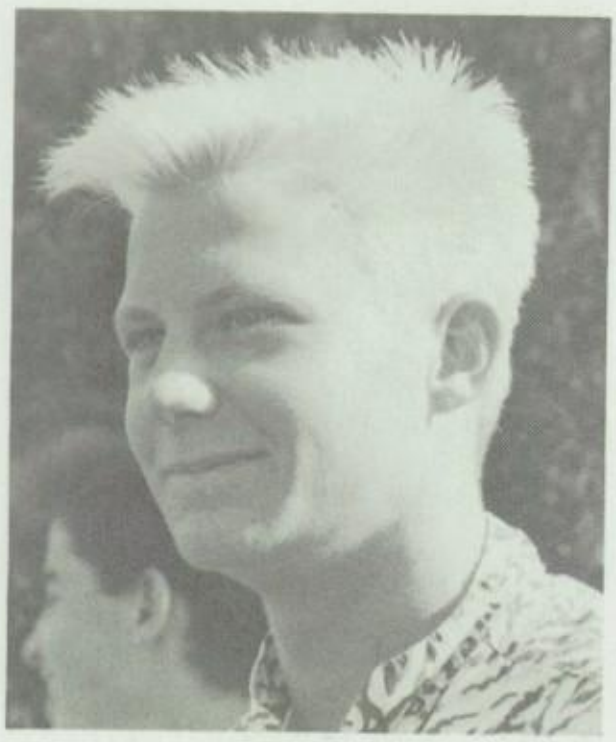
Boots were a big fashion statement. some were studded, some were fringed, some were furry, and some were just plain cowboy style. Athletic hightops were in the scene again. We saw many pairs of Reebox and Kaepas. A big thing for girls, this year, was the "mock turtleneck"- those t-shirts with the high necks. Animal prints also made it big. From Zebra to leopard skin. Silver and Gold were also a hit.

And then our hairstyles. Well, the long look was in once more. A lot of girls were growing out their hair and layering it. And now the word ponytail was unisex and could be seen on many guys.

Watching a guy walk by, **Danielle Halstead** shows off her stylish ponytail and big silver earrings.



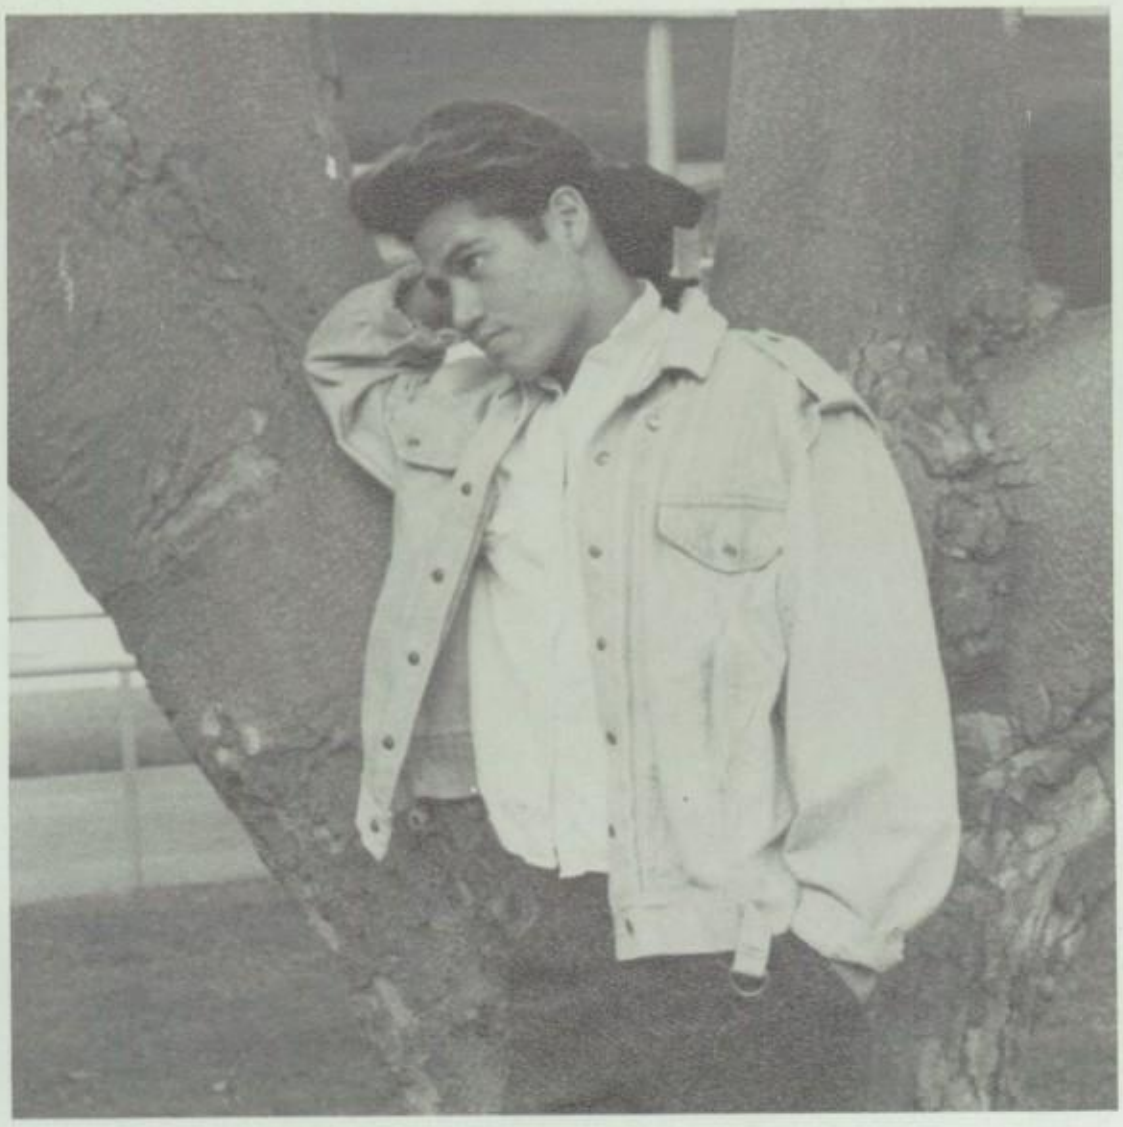
Modeling the latest "Vogue" fashions, **Danielle Reese** and **Kelly Meade** stop to take a picture during lunch.



Striking a pose, **Bruce Finnila's** sporty haircut is captured by the camera.

Stacie Fox and **Lisa Van Atta** show common trends; jeans and boots.

Because of his new haircut, **Jasun Fix** is known to **Lani Romero** as "Mr. Style"



In a GQ pose, *Pat Martinez* displays the latest trends in men's fashion.

With her beautiful, long, layered hair, *Angela Gallen* smiles for the camera.

Mark McClellan shows the latest fashion in surf wear.

These underclassmen can follow fashion, as shown by *Steve Meidroth* and *Brian Cattivera*.

AN OVERVIEW

Many events, big and small, affected our nation in the years 1986-1987. Locally, Manhattan Beach celebrated its 75th Anniversary. Another great birthday was observed by Miss Liberty, our symbol of idealism, energy, and self-confidence. 1986 was the Statue of Liberty's hundredth birthday, who was revitalized by a $69 million renovation.

On a national level, the biggest scandal of the Reagan Administration rocked the U.S. This is the secret arms deal with Iran and the diversion of funds to the contras. In response to Muammar Kaddafi's blatant sponsorship of terrorism, American F-IIIs shelled Tripoli for 11 minutes. Though condemned by allies, most Americans backed the adventure.

Looking at other nations, the Philippines' Corazon Aquino came into power, toppling one of the most durable dictators. Once in office, she displayed unexpected political skill. Also, the worst nuclear disaster in history raged at Chernobyl. This fire spread as far as Sweden, 800 miles away.

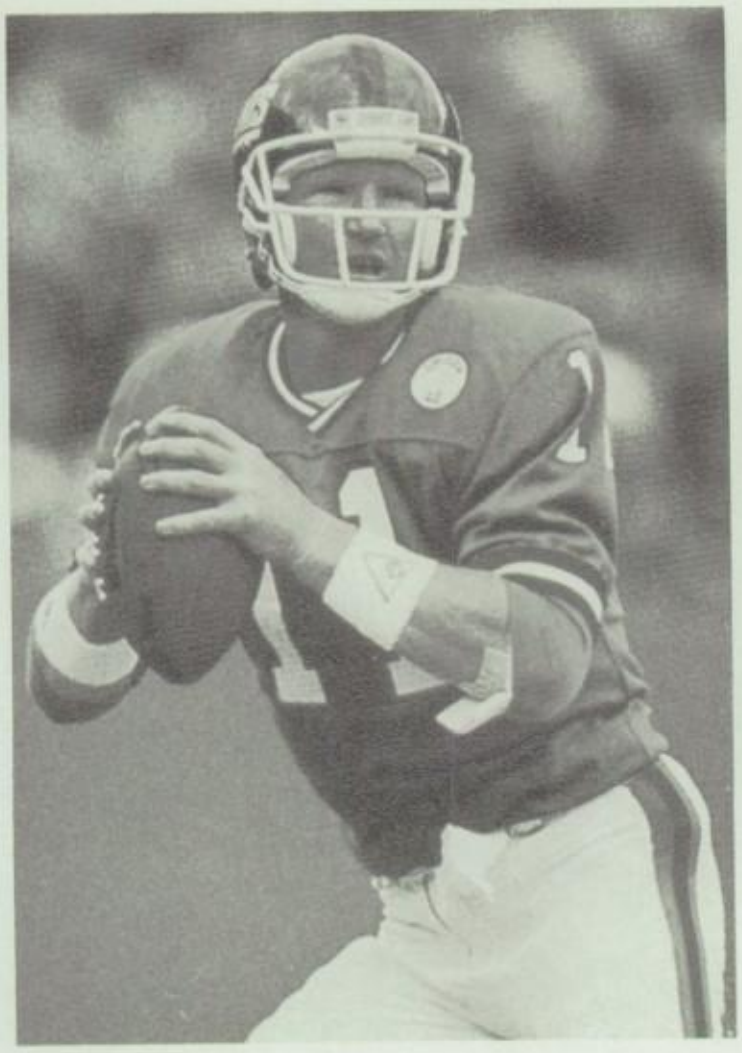
Another tragedy occurred closer to home. Len Bias, the 22-year-old drafted by the Celtics, died of a cocaine overdose. Lastly, in the world of sports, the New York Giants trounced the Denver Broncos in Superbowl XX by a score of 39-20.

"Moonlighting" became one of the most talked about television shows at Mira Costa.

Corazon Aquino takes the oath of office, and prepares to face a crippled national economy, a widening guerrilla war and disloyal generals.

James Bias Jr. weeps after his brother's funeral while his father and Jesse Jackson offer support.

Voyager set off on a historic flight to circle the globe without landing or even refueling in midflight. Pilots Dick Rutan and Jeana Yeager shared a cockpit about the size of a telephone booth for more than a week.



Quarterback Phil Simms led his Giants to victory through a supreme passing game.

Just one of the many radiation victims of the Chernobyl nuclear accident.

Kaddafi's antiaircraft fire strikes back at American jets.

North, of the National Security Council, and his superior John Poindexter both take the Fifth Amendment, refusing to disclose needed information about the Iran scandals.

Lady Liberty basks in the world wide celebration of her 100th birthday.

LIPS IN MOTION

The winter lip sync contest organized by Commissioner of Special Events Kim Lahs, is a very popular event at Mira Costa. There were 6 groups who performed during an extended lunch at Waller Stadium. The contest attracted a large crowd. The performers were judged by the Mira Costa faculty on originality, appearance and lip sync ability. The winners received a grand prize of $100. The top performances were by Simple Minds who placed third, The Earthquake Girls who placed second and The Beatles who placed first. The other three groups that made it to the finals were Billy Idol, The Who and Stacey Q.

A BACKWARD GLANCE

Its that time of year again-Homecoming. A time of festivities and coming home this years theme was "A Backwards Glance." The ASB Student Council, led by Homecoming chairman, Danielle Halstead, all chipped in to put together an exciting week.

The six princesses this year were **Karen Burd, Kelli Crawford, Lisa Elsma, Justine McAlpine, Kendis Moffett,** and **Sherry Padilla.**

This years Homecoming Queen was **Sherry Padilla.** She was very active at M.C. She was Jr. Treasurer, Girls League Rep., and Thespian member. She was also, this years cheerleader captain and commissioner of Campus Morale. Most of all **Sherry** is known and will be remembered by her kindness and consideration for all.

SOME ENCHANTED EVENING

The Sound of Music, Oklahoma, South Pacific ... wouldn't it be great to see all these famous Rogers and Hammerstein musicals in one night? Of course this would be nearly impossible but this year the drama department came very close. On May 19, 20, and the 21st the Mira Costa auditorium came to life with the production of "Some Enchanted Evening", a Rogers and Hammerstein Musical.

Led by director/teacher Ms. Arrington the large cast put on a terific show filled with dancing, singing, and acting. All of the dancing was choreographed and led by students, Michelle Hinkley and Melissa Simon while the singing was led by Genevieve Guneau.

"Some Enchanted Evening" was definitely an evening to remember.

ROCKTOBERFEST

The moon is full, a fog is setting in, and there is a distinct sound of a werewolf howling in the distance. As one walks down the deserted main hall, music can faintly be heard. The music suddenly gets louder and bright lights begin to be seen. Yep, thats right, its the 1986 Halloween Dance. The Senior Class Officers and Reps. worked hard to make "Roctober Fest" a frightfully awesome night filled with rockin' music, a photographer, and a costume contest.

JINGLE BELL ROCK

As a part of the annual Operation Happiness festivities, so comes the Operation Happiness Ball. Each year this ball is put on by Girls League- who start early in September and work diligently until the day after- Clean Up! President **Justine McAlpine** worked extremely hard to make this years dance a great one and as most would agree did a great job.

This year's dance was a upbeat, festive one. With the theme as Jingle Bell Rock the dance was a joyous occassion. "This years theme was original and had a fun attitude about it!" added Vice President **Stefani Stratton**.

The annual crowning of the Happiness Ball court King and Queen topped off the evening. With **Cory Nies** and **Karen Burd** as recipients. All in all the dance was a great success. Justine commented, "I think the success of the dance was due greatly to the enthusiasm of my members and mascots. I couldn't have done it alone!"

Amy Shankle and **Dave Beacham** get down at the dance.

Courtney O'Hara and **Ian O'Keefe** stroll under the arch.

Lisa Vanatta and **Sylvie Gabriel** make plans for after the dance.

Dave Hessell shows his excellent maneuvering as he rides to the dance with **Marcy Harris**.

CHRISTMAS CHEER

This year's annual event of Operation Happiness was, as usual, a big success. This is the event in which most of the Mira Costa student body donates a major portion of their time to collect canned goods for the Salvation Army. They go around the community and ask for canned goods and donations for the less fortunate.

The grand total of cans collected this year was 13,078. This is a lot but, not as many as has been collected before. This is probably due to the fact that Doc Sanford and his infamous block class don't exist anymore. Doc Sanford's block has held the record for cans collected for the past 15 years. The all time high was last year at 12,000 cans.

All in all, Mira Costa students brought some much- needed cheer to the needy of our community.

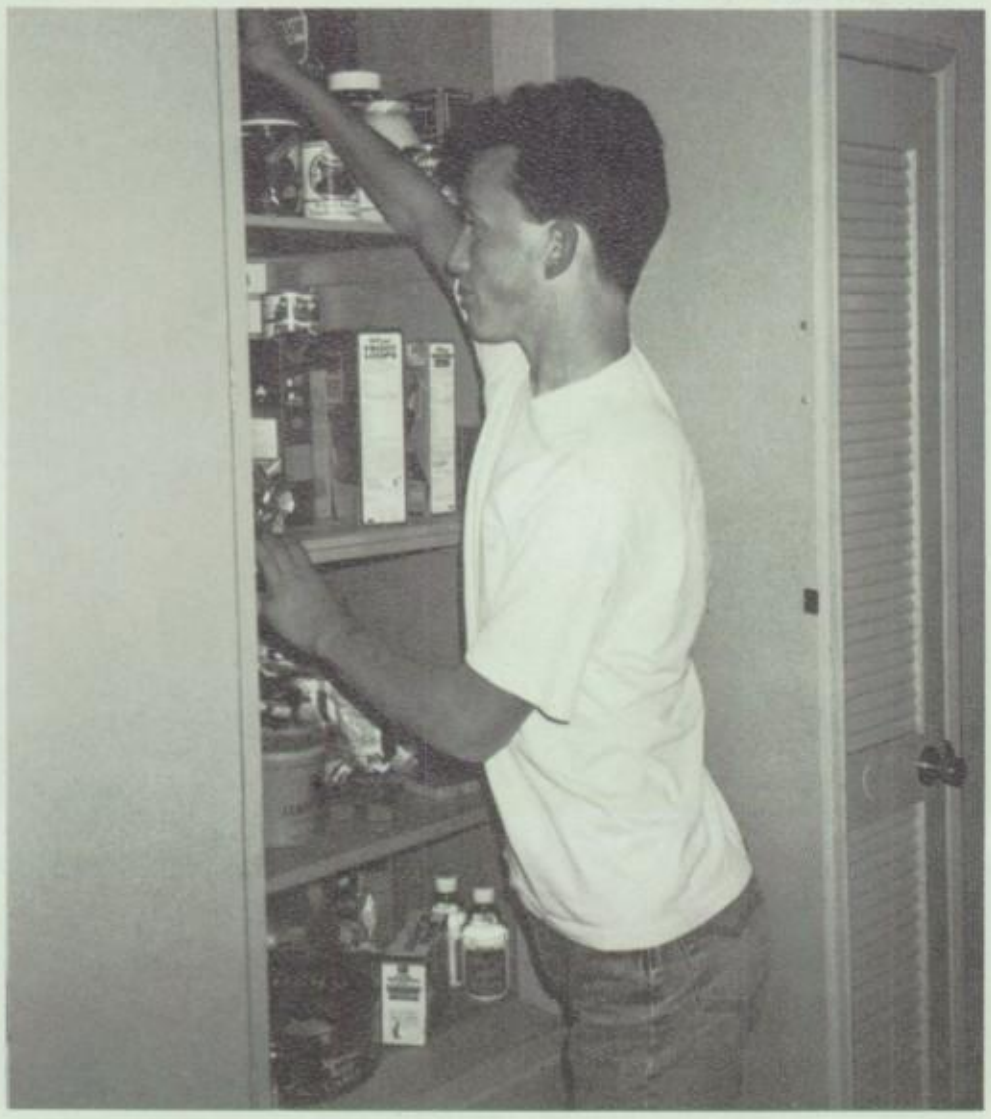
Everyone lends a helping hand to load the Salvation Army truck.



Brian Hillger can't decide between Split Pea or Chicken Noodle.

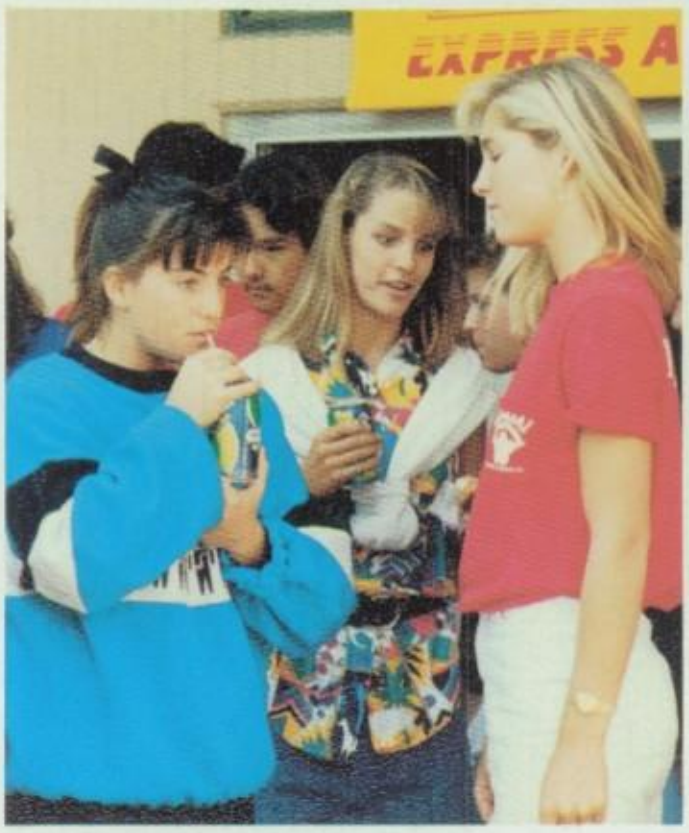
As an annual affair, the Salvation Army plays Christmas Carols to thank the donating parties.

Laurie Garcia happily carries the box of cans to help load the truck.

GRUBBIN'

The beginning of lunch at Mira Costa is marked by the bell at 12:13. Many hungry students are on the run to try and avoid the long lines. For many, lunch is a pleasant relief from the hectic school schedule and a time to relax with friends, but for others it's a time to stuff their faces and relieve their growling stomaches. On special occasions there are lunchtime activities such as Spring Fest, Club Day, Live Bands and Pep Rallies. The students can be found laughing it up all over the school grounds, enjoying their freedom from the academic world and having fun. But all too soon their freedom is shattered by the piercing bell signaling the end of lunch.

George Ogden, Matt Downer, Chris Wilson and friends occupy one of the nice grassy areas at M.C. to eat.

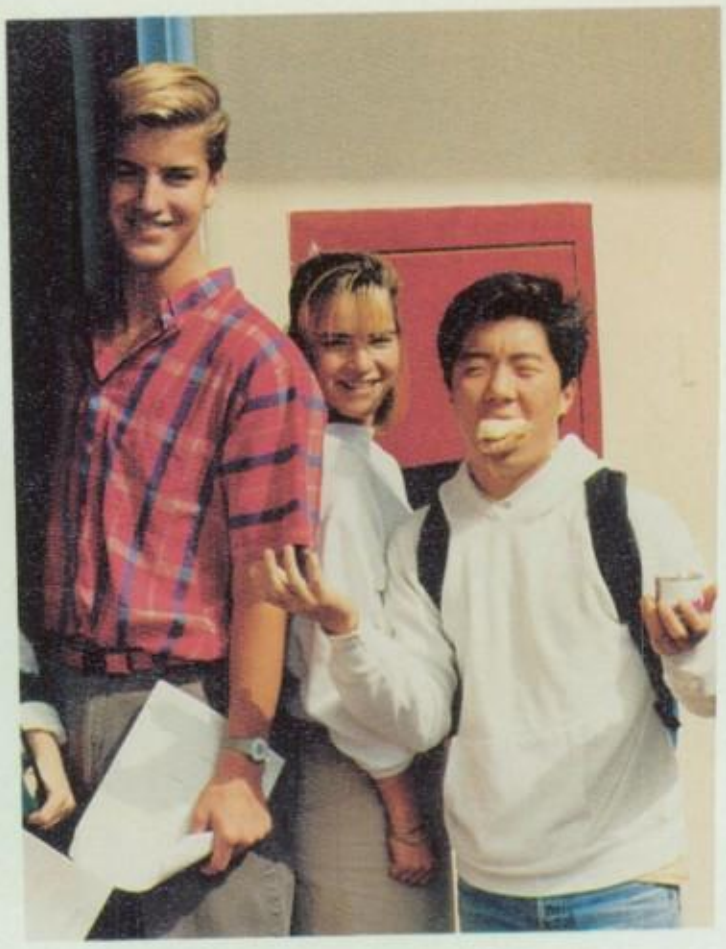


Casie Davis eyes Jennifer Weems' Shasta hoping she can have a drink; Piper Hahn knows Jen would never!

Caught in the act of writing a letter Tim Miller is surprised to see the camera.

Busy checking out the girls in the quad Rick Eddy and Mike Danduran don't even notice the camera.

Cynthia Cherry and Pam Nolan express their enthusiasm as they finally make it out of the long lunch lines.



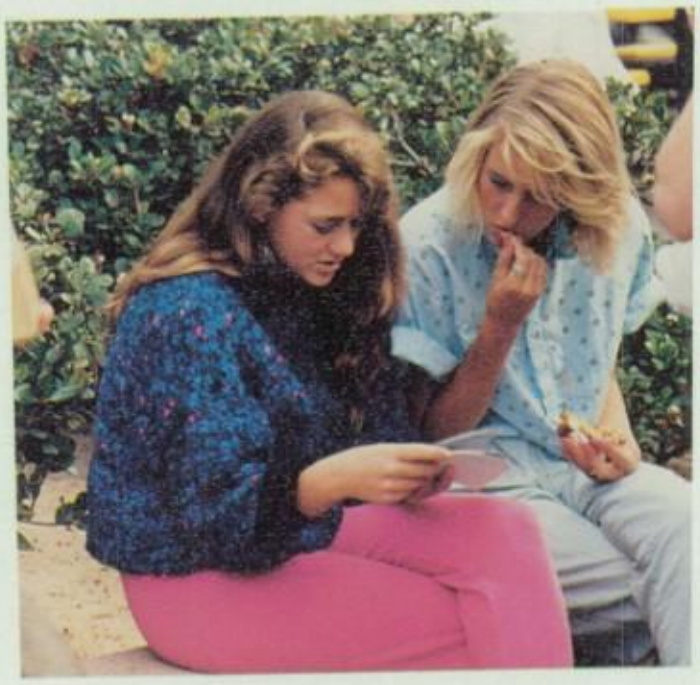
Scott Crosby laughs while watching **Kelley Heins** try and fullfill the bet she made about being able to stuff a whole cupcake in her mouth.

Rhonda Elbiali. Leslie Fulbright and **Julie Constantini** certainly won't forget to throw away their trash since they're using the bin as their dining table.

You can find a nice shaded area in the forties hall, but you better hurry cause the wall fills up fast.

John Kim pleads desperately for help while **John** and **Ann Golob** smile proud for the camera.

Kristen Muenzer and **Laurie Dowling** spend their lunch looking through pictures of their weekend activities.



CO-ED LEADERSHIP

Every year one boy and one girl from Mira Costa are selected by the faculty to represent our school at the Girls/Boys State convention in Sacramento. The students are chosen on the basis of academic achievement outstanding leadership abilities and community service. This years representatives were **Karen Burd** and **Paul Allen**. While up at the capitol they spent a week learning all about how our government works. Paul Allen states, "It is everyone's responsibility to take an active *interest* in the affairs and activities of the government so they can gain the experience and knowledge which is necessary to initiate productive change."

CONGRATULATIONS!

For those of you that think the PSAT is just a practice SAT test think again. The full name of the test is the PSAT/NMSQT which stands for National Merit Scholarship Qualifying Test.

The primary goal of the competition is to provide recognition and encouragement for scholastically talented high school students. The program also recognizes the significant role that the schools play in the development of able young men and women.

In 1985 more than one million students took the PSAT and participated in the 1987 Merit Program. Only about 50,000 students were honored by NMSC. 35,000 students were honored by NMSC with a Letter of Commendation. The remaining 15,000 students achieved Semifinalist standing and a chance to continue in the competition for some 6,000 Merit Scholarships. Finalists will be announced in the spring and receive scholarships of $2,000 and up depending on need. Also, several universities offer additional scholarships and preferred housing to Merit winners.

This year Mira Costa has twenty students who have been singled out for honors by NMSC. The thirteen commendation winners, David Beacham, Steven Cahn, Ju Kim, Brian Gross, Michael Longacre, Mitchell Meirdroth, Debbie Millar, Mike Moore, John Robertson, Carl Ulrich, and Medi Volpe, and the seven semifinalists, Keith Brown, Miranda Carney, Joe Cattivera, Robert Cullman, Rick Eddy, Lynette Goodman, and Stacey Peterson are a credit to both themselves and their school.

HARD WORK

The Sophomore team started out with a rough season. Once again under the leadership of **Richard Eagan**, the players did the best they could. The team was plagued with illness and injury, and averaged only 26 players per game. Through hard work and determination the Sophomores did well in league play.

SUCCESS

Mira Costa's Freshmen had a successful year. Head Coach **Tim Roth** did a good job of coaching the team through their first year. The Freshmen were large in numbers and talents. The team should provide good performances in their years to come.

SO CLOSE

This year the Mustangs re-entered the competitive Ocean League after a four year absence. With the talent of the upcoming juniors and the steady play of the returners, the team hoped to end up with a winning record. However, due to an inability to put together scoring drives in the last few minutes, the season did not turn out as planned. Most of the losses were by six points or less. Head coach **Herb Hinsche** felt that, "the team improved every week." The Mustangs practiced hard and played well. The biggest disappointment was losing, but being so close to victory.

SWINGING INTO ACTION

This season was the best the girls tennis team has had in two years. Coached by **Jim Wenger**, who is very proud of the team. "This year's team is more experienced and more prepared." Winning almost all the teams in their league, and going to CIF 3rd place, this team has a lot to be proud of.

This season has been a fun and challenging one. Team captain **Justine McAlpine** sums it up. "This season was a great one to end my high school tennis because we finally began winning and our team became so close." For the rest of the year, the team plans to sharpen up on their skills and get an early preparation for next year.

GREEN DOMINATION

This year's varsity water polo team worked hard all year. Their strenuous work outs eventually paid off in their title of Ocean League Champions. Successfully dominating their league, six wins and zero losses, the polo team had only three returning starters. Coach **Mike Nolan** had to build his young team into a strong, mature contender. Senior goalie **Mike Hargett** successfully protected the goal and back-up goalies Senior **Can Yalman** and Sophomore **Adam Griffin** added some extra defense. The sophomores, six in all, proved to be the supporting backbone and definitely contributed to the winning season. The two juniors on the team were **John Kim** and **Keri Donesly**, the only girl on the team.

The most outstanding players were seniors **Dustin Salem**, **Jason Brown**, who both made All-league First Team, and **Mark McCracken**, the MVP of Ocean League. Those who made definite contributions were Junior **John Kim** and Sophomore **Cliff Chapin**, both of whom made All-league Second Team and Sophomore starter **Simon Kim**. **John Kim**'s famous last words of the season were "The bus is definitely gone."

Back row: Curt Lane, Adam Griffin, Jason Brown, Dustin Salem, Mark McCracken, Rick Maynard. *Center row:* Mike Hargett, Tony Kim, Luke Downer, Simon Kim, Shawn Vita, Keri Donesly. *Front row:* John Kim. *Missing:* Cliff Chapin, Can Yalman.

PUSHING AHEAD

At two o'clock, on every regular practice day, the Frosh/Soph water polo team entered the water. They worked out, under Coach Mike Maurry, for two and a half hours by swimming, doing leg work, scrimmaging and game plays for defense as well as offense.

The team was led by sophomores **Greg Shankle**, **Chris Beardsley**, and **Ardem Antabian**. The group contained great depth and, though some were unexperienced, they grew into a strong team. Others who made considerable contributions were goalie **Mark Hocking**, freshman **Jeff Sauber**, and sophomore **Shea Dennis**, the first girl on the team.

The Frosh/Soph, not to be out done by the varsity, also captured the Ocean League title in a three way tie. **Coach Maurry** described the winning season as "a pleasant surprise."

STAYING ON TOP

Alright CIF once again! Varsity volleyball again was undefeated during season play. With excellent effort by the whole team, they stayed on top! Star players **Megan McCallister, Hollie McPeak, Lisa Arce, and Karrie Treischman** displayed their great talent throughout the season. The San Marcos was a memorable tournament. This was a 5a tournament where all the best from California attended. "Winning that tournament proved that we are #1," exclaimed **Dalea. M. McCallister** received M.V.P., **K. Treischman** and **L. A FORWARD STEP

"The team this year was strong because we worked real hard and we ended up winning league!" These were the words of girls 1986-87 varsity cross country runner Andrea Dean. These girls certainly did have a winning season. With a record of 5-0 these girls won league and made it all the way to CIF Preliminaries.

Caroline Plier, Amy Melmen, and Joanne Ulibari led the pack with Heather Bliss, Andrea Dean, and Carrie Sauber close behind. These girls were placed in a new Ocean League this year. Because this team was young, most of these girls will be returning next year. As Caroline Plier stated, "next year we will be even better — maybe even win CIF!"

NEW FACES

The Junior Varsity proves to be unstopable. They again were undefeated during season play. The combination of the new and old faces seemed to cause no difficulty. The team worked well together throughout the season. Starting players **R. Chrisman, J. Weems, K. Attwood, V. Taugner, J. Lew, A. Maurry, and R. Cowan** helped lead this team to victory. With teams like this there is no question to what makes Costa volleyball the best.

RUNNING AHEAD

The 1986-87 girls Junior Varsity cross country team this year fared quite well. This team was ranked number one in Ocean League. The team was a relatively new one with Junior standout Carolyn Miller, and outstanding performance by Freshman Becky Ford.

The girls worked hard and their efforts paid off. Placing lst in Ocean League, these girls were the team to beat.

With the further successful coaching practices of Dave Holland and Terry Fredericks this team proved quite splendid.

Upon speaking to Carolyn Miller about the team she replied that, "the team got along really well this year and our season long efforts paid off in the end."

A WINNING SEASON

No one can imagine the hours of work and dedication needed to be a successful cross country runner. This years boys Varsity team demonstrated these qualities with their flushing record of 5-0 in the Ocean League.

By starting their training during the summer, and also having a 50-mile per week minimum limit, these runners were the best.

The leaders **Pat King** and **Jason Swanson** placed 5th and 7th respectively at League Finals held at Palos Verdes High School. **Kevin Baker**, and **Bill Harvey** were an additional scoring factor for the team. **Joe Cattivera**, **Rick Eddy**, and **Chris Rico** were also strong components this year. The team made it all the way- winning League Finals and going to CIF Prelims.

RUN FOR IT

The Junior Varsity, Sophomore, and Freshman boys cross country teams also demonstrated their speed and endurance in their league meets.

With rigorous weekly workouts ranging from four mile sprints around the track, to hill workouts up Sand Dune Park, these runners were quite prepared for a competitive season. Leaders **Mike Dandurand**, **Phil Covert**, and **Scott Yetter** kept their teams going strong.

The Junior Varsity and Sophomore teams placed first in league with the Freshman team placing second against tough competitors Hawthorne and Beverly Hills. These boys will be a definite strongpoint next year. We should watch for them next season.

As **Mike Dandurand** put it, "our team ran as a unit this year and I think that that was the reason we were so successful."

STRIVING FOR SUCCESS

Returning once again to Mira Costa, Coach McBride takes charge. This year's varsity girls made excellent effort to succeed in their division. With many young, talented players they succeeded in being tough competition. This year's girls were ranked 7th in CIF play going into league which is a great step forward. Although the team will lose ten of its players this year, they will still have three high scoring sophomores, R. Kropp, D. Compton and K. McPeak to get them off to a good start next year.

JV girls coached by Kim build for the future with ten new players prove to work very well together. This team is full of potential and the eagerness to be number one. This aggressive JV will pave the road to another winning season.

SUCCEEDING

Boys varsity again displayed their great ability. With their determination and skill they strive forward to becoming number one. This years fine defensive line has allowed very few goals to be scored against them. Jim Metropolis has been a great attribute to their success.

The Junior Varsity team also is having a winning season. With the great skill of these boys we will once again be tough competition for the years to come.

STRONG DETERMINATION

Coming off a successful summer league, this year's Varsity Basketball team looked forward to an equally successful year. Moving up from the Bay League, into the more difficult Ocean League, the team also had the added talents of two transfer students, Mike Atkinson and Curtis Townsend.

Coached by Jim Nelson this team will have the benefits of an experienced coaching staff.

Having daily practices this team demonstrates the devotion needed to become a successful working unit. The players have the skill and talent to have a great season.

SHOOTING AHEAD

This year's junior Varsity basketball team had a great chance of winning the Ocean League Championships. Although they were newcomers to this league, with Coach Merino, they had a fighting chance. Juniors Kevin Hoose and Erik Straser led the team in rebounds, while Mike Mueller and Charlie Griswold gave their added knowledge of the game. The sophomores added intelligence and a good shooting game.

Coach Merino, having seven years experience as a basketball coach, was a strong factor in the success of this team.

LOOKING TO THE FUTURE

The Sophomore team, under the coaching of **Coach Avery Bryant**, showed a good, solid love of the game. Working with each other, playing a strong defensive game, and an alert offensive game provided the spark to make a successful team. With outstanding players **George Metalsky** and **Kyle Fest**, the team had a great backing to help them on their way to success.

This year's Freshman Team needed to begin with basic fundamentals of basketball. Some developing talents definitely led them to success in the coming years. Also under the coaching of Mr. Bryant, the Freshman players show great potential and determination. Some of the outstanding players were **Canyon Ceman** and **Pete Maschmeyer**, whose skills and determination will keep the team working together.

VICTORY

This year is **Brad Morton's** last year coaching at Mira Costa. During his stay he revitalized a worn out wrestling program. The Mustangs are beginning to dominate high school wrestling once again. Coach **Morton** is spending his last year with an experienced and successful team.

The Mustangs missed the talent of **Steve Sanderson** and **Randy Whittington** this year. Both of them missed much of the season due to injuries. However, the team benefitted from standout performances by **Cliff Schweitzer, Larry Thompson,** and **Dave Burdick.** The Mustangs are looking forward to many successful seasons yet to come.

A NEW START

The Junior Varsity was under the leadership of Coach John Frank. The team was young, but most of the wrestlers had some experience. The Mustangs were a competitive team. They did well in league matches. The J.V. team expects good fortune in the future. The physical and mental growth of the Junior Varsity team will prove to be a large advantage in years to come.

THE STAR SHOOTERS

The 1986-87 girl's Varsity Basketball team had a great season. Moving to the Ocean League, this team was the one to watch for. Ranked third in CIF, this team went all the way, placing in the top third in league.

Coached by Ms. Sylvia Holly, this team, comprised mostly of seniors, had the added benefit of a veteran coach. This team worked well as a unit with stand-outs Rocky Landreth, Heather Allen, and Sandra Marbut.

THE HOOP TROOP

This year's 86-87 team launched themselves into a bright future. With a new coach, and new players, the team captured the first place title and much respect. One of the leaders of the team was returning sophomore Berta Durham, with her outstanding field behind her including Kirsten Retz, Stacey Wanamaker, and Sandra Vererika, the strong mustang team was able to succeed.

Coach Tracey Youngs taught the team how to work together. Teamwork, obviously, played an important role and their effort payed off in a very successful year.

SURGING AHEAD

This year's 87 Varsity swimteam shows great promise for the coming season. Even without many returning swimmers, depth will remain the key point. Although there aren't many seniors on either the girls or guys teams, the large group of juniors and the talented frosh/soph swimmers, who are moved up, will add greatly to the amount of strong swimmers as well as add to the depth. Led by Coaches **Mike Maurry** and **Mike Nolan**, this year's promising swimmers are **Cara Stark, Ida Kastle, Reiko Uchida, Michelle Floyd, Casie Davis, Sarah Daniel, Jennifer Weems, Jennifer Jackson, Todd Douglas, Jason Brown, Dustin Salem, Mark McCraken, Hiroki Shimamura, Adam Gubser, Rick Maynard, John Kim** and **Cliff Chapin**. Even with such a young team the outlook is optomistic. As long as the team stays away from injuries and illness, the Varsity swimteam should look forward to an impressive year.

DRIVING FORWARD

This year's Frosh/soph team will struggle because of their lack of depth. With many of their teammates swimming up at the varsity level, the solid swimmers will have to help the younger ones. The promising swimmers for this year and years to come are Shea Dennis, Matt Nakano, Nicole Sieber, Steve Zeman, and Steve Janz. Coached by Mike Nolan and Mike Maurry, this year's team, practicing 3 to 4 hours a day, will be striving to better their individual times. While not a major contender for a title, the Frosh/Soph team will look to self-fullfillment rather than team victories.

ROAD TO C.I.F.

Costa Varsity volleyball team is definately strong! This years team is loaded with experienced, returning lettermen. With such outstanding players as **Eric Fonoimoana, Carl Hinkel, Brian Ivie,** and **Jeff West,** the team is ranked high in C.I.F. standings with hopes of going all the way. Even though the team has experienced a lot of injuries, their strong depth has been able to carry onto victory. Though we will be saying goodbye to all but two of this years team, we look forward to carrying on the volleyball victory tradition at Costa.

THE TEAM TO BEAT

The gymnastics team is expected to once again take charge of the Bay League. This years team is led by senior captain and all-around performer **Jennifer Thomas.** The other all-around performers are **Susie Jalili, Maggie Jacobs,** and **Staci Crawford.**

Great contributions will come from **Heidi Ludwig, Heather Kessler, Janet Raftis,** and **Barbara Rickerd.** Coach **Jennifer Wildenburg** returns for her second year at Mira Costa. She will receive assistance from Coach **Jackie Fredricks.**

A HIT ABOVE THE REST

Mira Costa's excellent Varsity Baseball program doesn't receive enough credit.

In their first game against Redondo, Costa dominated. By destroying Redondo 20-8, Costa established a name for themselves. Starting pitcher Greg Davis and his number one reliever "Snag" Savran, give the team the strong pitching a team needs to go all the way. Coach Mike Fisher says, "with a large percentage of seniors, we hope to capture CIF this year". This years varsity team has the spirit and the talent to capture the division and make Mr. Hartzel a proud man in his last year as principal.

In a game against Redondo, Eric Shanks rips a Homerun.

Sliding in under the tag Steve Jund is safe at home.

Back Row: G. Davis, M. Mamet, D. Jund, D. Allen, E. Shanks, G. Savran, M. Thompson, M. Wood, J. Perkinson, Coach Fisher, Front Row: T. Avrems, T. Fletcher, S. Jund, B. Graw, M. McQuery, G. Cunningham.

In warm-up Greg "Eyebrow" Davis shows what made him Costa's # 1 pitcher.

Running to first, Tim Fletcher watches the ball.

Eric Shanks gets to first on a wild pitch.

After scoring a run Danny Allen was heard to comment, "It felt like I was running on air".

Defying gravity, T. Fletcher grabs a fly ball to make an out.

SIMPLY SMASHING

In order to fill the many spaces opening on the varsity team next year Mira Costa needed a strong J.V. team, and they have one. Coach Procter gambled with starting positions and came up with a winner. Chris Beardsly says, "Coach Procter has helped us develop our team to a point of perfection". After hearing this, his teammate Bill Harvey added, "I only hope it shows during the season". With this support next years Varsity will be a strong team.

Back Row: S. McNamara, G. Anderson, C. Paradissis, C. Beardsly, Z. Smythe, G. Shankle, Front Row: K. Scoggins, T. Johnson, S. Vandermark, K. Schizle, C. Daniel, G. Walker, B. Harvey

Catcher Greg Anderson blocks Redondo's chance to score.

Kevin Scoggins gets to first on a grounder.

Greg Shankle makes a magnificent catch for an out.

Trotting to first, Greg Walker helps Costa to victory.

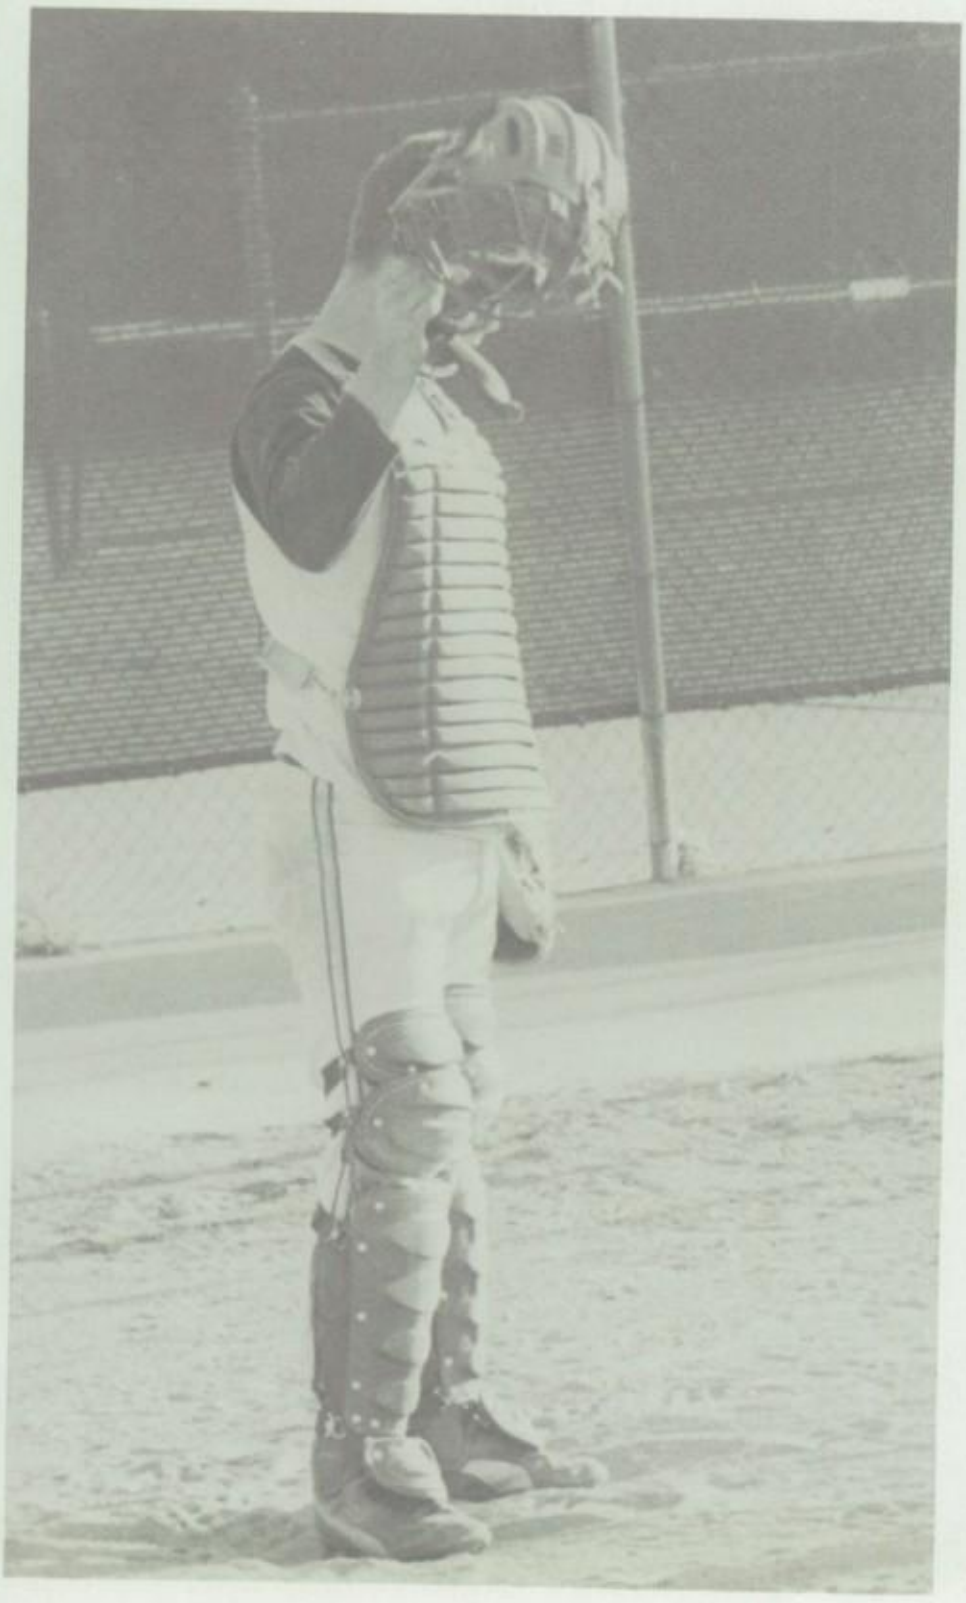
THEY'RE A HIT

Behind the fabulous Varsity and J.V. programs lie a talented FroshSoph team. With many good players and a good coach the team should prove extremely successful.

But the biggest responsibility of the team is to promote players to higher levels of high school ball. Coach Boyd said, "The team was very good and should help both JV and Varsity in the future.

The players agree. Ethan Merphy said, "We've got a real good team this year and should do well". Tyler Davidson added, "I'm looking forward to playing for the Varsity team in a couple of years".

Back Row: P. Berdnick, J. Proctor, D.J. Allen, S. Kline, Coach Boyd, M. Urrutia, B. Fletcher, R. Dominguez, N. Whitfield, A. Griffin Front Row: R. Cameron, S. Earnest, M. Macker, T. Davidson, E. Merphy, T. Glassford, T. Hartley, S. Yetter, D. Christensen



Covering his face with his mask, Tyler Davidson refuses to have his picture taken.

In practice the team drilled on the fundamentals for hours, but it paid off in the games.

NETMEN

Once again under the leadership of Coach **Jeff Verner** the boy's tennis team returns to the Ocean League. The Varsity team is led by **Loren Becker**. **Steve Cady** and **Scott Crosby** will provide, once again, a tough doubles team. A surprise addition to the team was freshman **Ryan Flahaven**. With all this talent it is not hard to see why they are expected to be in contention for a CIF Playoff Berth.

The J.V. team shows off the talent of **Tony Avila**, **Alexis Zahoudanis**, and **Craig Warren**. The team is expected to fair well in league play. For the second year in a row, **Michelle Erlich** will be the statistician for the Varsity and J.V. squads. She will also help Coach **Verner** manage the teams.

STRIVING FOR VICTORY

This years 1987 varsity softball team, coached by **Judy Jakemer** proved themselves to be an excellent team. The team showed exceptional ability in hitting and on the field. This years varsity team had many returning players, and also a few freshman were recruited which created a well balanced team.

Julie Innerasky who has been all league for three years was the pitcher for this years team and freshman **Wendy Roberts** stood out because of her ability in the positions shortstop and third base. **Tara Walters** plays first base and **Judy Jademer** said she was one of her most consistent players.

The junior varsity team coached by **Pierre Lawzan** showed their talent and hard work throughout the entire season. **Jennifer Eastom** was a strong Hitter on the JV team and **Tracy Capman** was the outstanding pitcher.

Ginger Sanchez reaches to make the perfect catch.

Sandra Marbut leaps as high as she can to catch the fly ball.

Ana Groover runs her fastest to get to first.

SPRINTING FOR SUCCESS

The 1987 sprinting track team is looking forward to a very successful year. With their new placement in Ocean League this team looks very promising. The team, consisting of many veteran athletes, with their talent, skill and dedication should come out on top.

Coached by R. Egan, the sprinters and hurdlers have the added experience and knowledge of this returning coach.

Sprinting standouts consist of Hillary Erlich, Tracey Seguin, Freddy Gonzalez and John Straight, with Amy Siegel and Brian Denny leading the team in the hurdles.

LEAPING HIGH

This year's field events of the Track team should be much better than last years," predicts coach **Terry Fredricks**. Once again in the Ocean League, the team expects to perform well throughout the entire season.

With outstanding high jumpers such as **Eddy Gentry**, **Kerri Treischman**, **Karen Lovold**, and **Lisa Lovold**, and also long jumpers such as Freshman **Piper Hahn**, the team should improve and display outstanding ability. Pole vaulter **Cliff Schweitzer** and shot puter **Hector Gibson** will also help the team tremendously.

RUNNING THE DISTANCE

Hard work, experience, and dedication are the main factors in making a good distance track team. With weekly workouts this team is well conditioned and has many returning athletes.

The team members need to have built up their endurance because their races include the 2 mile, the 1 mile and the 880.

With the veteran coaching staff talents of Dave Holland, this team is sure to come out on top.

On the boys Junior Varsity team **Chris Rico**, **Phil Covert**, and **Randy Toris** are the standouts with Junior **Pat King** leading the Varsity team.

The girls Varsity team is being led by **Caroline Plier** and **Andrea Dean** with Junior Varsity standouts **Joanne Ulibarri** and **Carolyn Miller**.

THE ART OF EXPRESSION

English is more than just diagramming sentences. It is the basis on which our society is able to express ideas. Through the study of English whether it is mythology, poetry, or English, American, or Contemporary Literature we are exposed to new thoughts and ideas.

An essential part of communication is the ability to write clearly. This is a vital skill to everyone no matter what they choose to do. This is why a student must complete four years of English to graduate from Mira Costa.

FUN WITH EQUATIONS

The Mira Costa math department is comprised of various levels of math. Beginning with General Math and progressing through Pre-Algebra, Algebra, Geometry, Trigonometry, ICM, and eventually Calculus, each level of math becomes a little more difficult. Therefore Mira Costa provides a level of math suitable for all students at M.C. This allows each individual to fulfill his or her two year requirement necessary to graduate.

For many students math is a very difficult subject. Each teacher at Mira Costa does his or her best to provide as much help as necessary for each student to not only pass the course, but to pass the course with above average grades. Mr. Schipper comments, "The most important part about math is the ability to think your way through any situation."

Mr. Mikel smiles as Mike Outko successfully finished a math problem.

Students relax and enjoy a lecture given by Mr. Lang.

The objective of the Mira Costa social studies department is to prepare students for the future. Learning about the past and the way the government works better prepares each individual for his or her role in society. Each teacher in this department tries to help students understand past and relate it to the future.

Each student at M.C. is required to take four years of social studies. Beginning with Geography as a freshman and progressing through World History as a sophomore, U.S. History as a junior, and finally Government/Economics as a senior, each student will graduate with a full understanding of the world today.

A TOUCH OF CULTURE

Some of the more popular classes at Mira Costa are the Foreign language classes. These are offered in Spanish and French, and range from the I-2 to the A.P. level. Students who do well in their foreign language class often compete in competitions for national prizes.

In these classes the ability to speak the language is emphasized along with writing and comprehension skills. Another important aspect of learning a language is understanding the culture of the people who speak it. This is a primary aim of the teachers at Mira Costa.

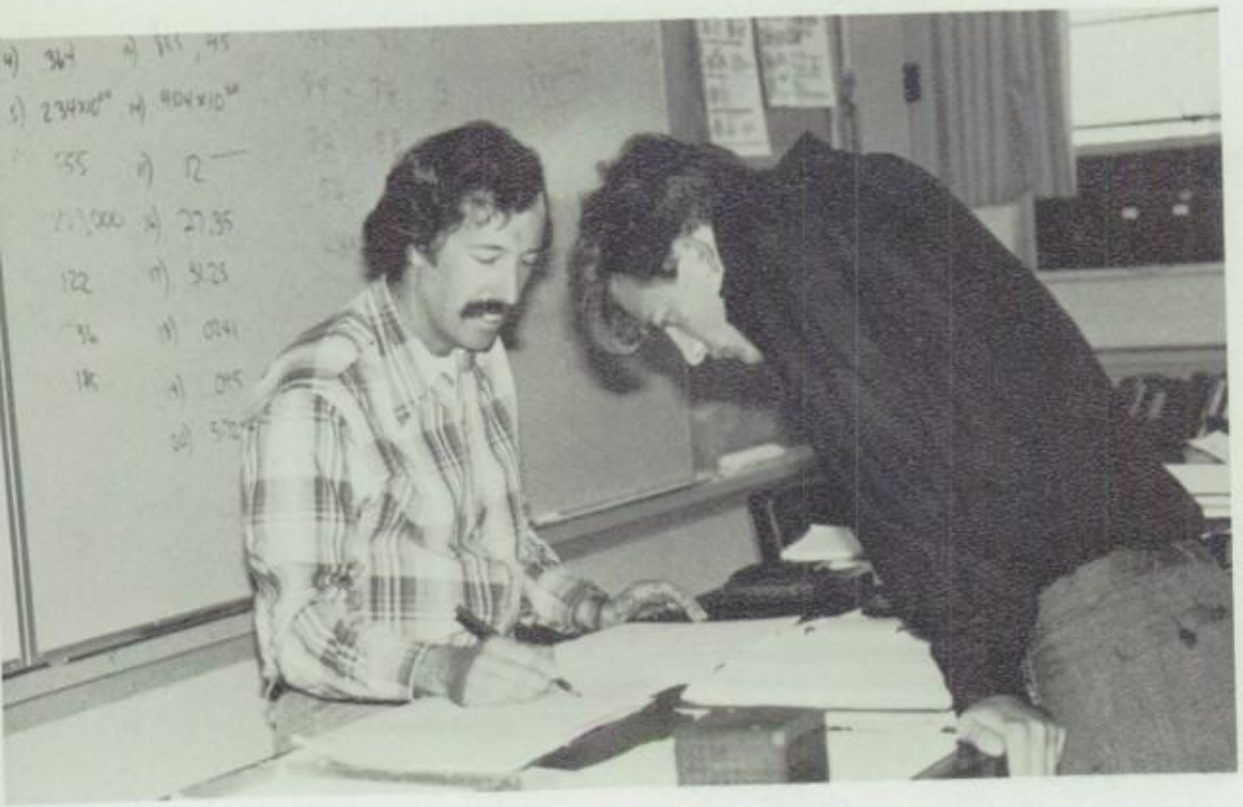
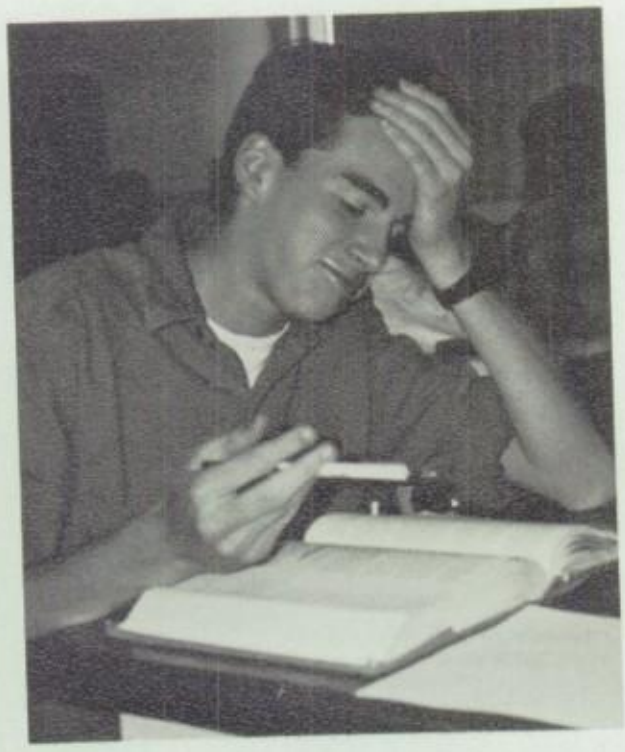
LEARNING ABOUT THE WORLD AROUND US

The science department of Mira Costa is designed for all students. Mira Costa students must take at least one year of biological science, and one year of physical science. At M.C. students can take biology, physiology, science survey, physical science, physics, oceanography, chemistry, and AP biology. By working with microscopes, beakers, slides, etc. each student is being prepared for further education in the science field, as well as life itself.





Mr. Brissey willingly helps Brian Gross with a problem.

INDUSTRIAL EDUCATION

The industrial education department is designed for those students interested in working with their hands. Industrial ed. is important because it gives students vocational skills allowing them to go into the professional job field upon graduation. It is designed to help those students who are already mechanically inclined, or those who wish to become mechanically inclined, further bring out their skills. The teachers of this department work hard to make Mira Costa students the best they can be.

KEEPING IN SHAPE

When asked what their favorite class is, many students answer P.E. This class gives students a break from the strain of school while giving them a chance to keep in shape. Every quarter students are allowed to choose their class from sports such as tennis, volleyball, soccer, basketball, softball, weight training, swimming and even jazzercise. A new addition to this is years P.E. department is the 0 period surfing class. This gives students the chance to earn credits while doing something they love.

WORKING TO ACHIEVE

The special education department is designed to help those kids with both physical and mental handicaps. This program allows special kids to go to school in an enviornment with "regular kids". The teachers of this department are dedicated to helping these students cope with their disabilities, and still go to school in a regular enviornment. This allows students to work and live productively in the community. Mira Costa is one of the few schools in the LA Unified School District that has a special ed. program. Special Education is an excellent part of Mira Costa, as well as an important part of M.C.

PRACTICAL SKILLS

The business department at Mira Costa offers a variety of courses ranging from typing, shorthand, and accounting to bookkeeping, sales management, and computer education. These courses teach valuable skills to those students who are interested in entering the world of business. However, with home computers becoming more and more popular, these business skills are important to everyone.

LEADING OUR SCHOOL

Last year Mira Costa gained a very fine principal, Mr. Gary Hartzell. Since then Mira Costa has seen quite a few changes. The entire office building was rebuilt on the inside. This project helped improve the efficiency of the administrative staff. Many new programs were also instituted on campus.

Mira Costa may lose one of its best staff members nevertheless. Mr. Gary Hartzell announced that he would not be Mira Costas principal next year. Mr. Hartzell is going to leave Mira Costa to study in college. He will be taking courses in education and administration.

Mira Costa will hopefully overcome this loss and continue to prosper. Mr. Hartzell has set the school on a course towards success. The years to follow can only get better.

HOME ECONOMICS

VARIETY IN LEARNING

The Home Economics department offers a wide variety of skills for students who wish to learn more than Math, English, or History. Mrs. Audrey Reimer and Mrs. Carolyn Hylander are the instructors this year for Home Economics. Many interesting subjects are taught in Home Economics. Clothing construction, interior design, and child care are just a few of the skills taught by Mrs. Reimer. Adult living and foods are also some of the courses taught, and are instructed by Mrs. Hylander. The courses are designed to teach students about skills necessary to cope with living on your own.

EDUCATIONAL ADVISERS

This year Mira Costa has begun a new guidance system. Called Guaranteed Guidance this system features one Educational Adviser for each grade. This adviser will remain with the class throughout the four years of high school. In addition to scheduling classes the advisers provide a career center program, provide vocational information, and schedule guidance meetings for parents. So far, this new system has been very effective.

GROUNDS SUPERVISORS

One of the toughest jobs at our school is that of the grounds supervisors. Their main duty is to keep Mira Costa and its students drug-free. Other responsibilities include supervising detention, study hall, truancy sweeps, and preventing fights on campus. This years' three supervisors Phil Sandoval, Valerie Seale, and Derrick Cleveland are a common sight around campus. They contribute greatly to the general welfare of Mira Costa.

FEEDING MIRA COSTA

The Mira Costa food staff works hard to please the student body at M.C. They work long and hard to create meals that are both delicious as well as nutritional. For those with a sweet tooth they sell candy, doughnuts, cookies, chips, soda, etc. If you are more interested in a meal then you may invest your money in a sandwich or one of the ever popular salads, and for a cold day you may enjoy a cup of hot chocolate. Without the dedication of the food operations staff none of this would be possible. So next time you are eating a Kit Kat or drinking a soda remember who is responsible for providing you with these luxuries.

HARD WORK PAYS OFF

Once again, the hard work and dedication of the Girls' League members and mascots paid off. The Happiness Ball was an overwhelming success and will be remembered for years to come. Other activities that Girls' League members were involved in this year were Operation Happiness, collecting cans and money for the Salvation Army, the Freshman Tea, introducing and welcoming freshman girls to Girls' League, and selling frozen bananas at the Hometown Fair.

This year's club was run by the determined and dedicated leadership of President J. McAlpine, V.P. S. Stratton, Treasurer L. Eisma, Secretary S. Fox, and Historian E. Kim. "Girls' League has given me the opportunity to get involved in the school and meet new people," says Senior rep., Autumn Maher, about her first year as a member of this club.

MAKING THE GRADE

CSF is an honors society for academic achievers at Mira Costa. The club is sponsored by Mr. Meuhl and Mrs. Nelson. To be a member a student must earn at least three A's and one B in academic courses each semester. Students who have earned membership for four of their last six semesters becomes a Sealbearer. Sealbearers receive special honor at Graduation where they can be recognized by the unique style of their robes.

CSF members are rewarded for their hard work by a half-day field trip each semester. First semester members went to Westwood where they shopped, ate, and saw a movie.

CSF also plans a fundraiser in the spring. The money raised will go towards scholarships for graduating CSF members.

CSF members left to right: M. Reeves, J. Cillo, A. Lehrer, T. Miller, R. Cullman, K. Howard, D. McArther, L. Cashion, K. Marcussen, C. Nies, T. Brull, N. Kalish, J. Creelman, J. Tash, T. Walters, K. The Physiology Club is not your typical Science Club. Membership is open to anyone enrolled in a Science class. The club is one of the largest and most active on campus.

A favorite club activity is taking a field trip to UCLA Medical Center. These trips are not for the sqeamish, as students see anything from a dog on a respirating machine to actual operations in progress. Other popular trips are taken to Marineland and the LA Zoo.

The club also offers several seminars given by professionals in paramedical fields, distributes career information, and sponsors CPR classes before school.

In November the Club has its annual candy sale. In recent years the Club has made about $12,000 each year. This money is donated to the Science Department where it helps purchase computers, equipment, and books for Science students to use.

Physiology Club officers left to right: Co-Treasurer A. Zahudonis, Secretary I. Hwang, Co-President Miranda Carney, Co-Historian Kim Freishem, Coordinator Medi Volpe, Vice-President Carl Ulrich, and Co-President John Robertson.

S-CLUB

One of the service clubs at Mira Costa is S-Club. S-Club serves the needy of our community in anyway it can. Organizing fund raisers, such as selling items at school like baked goods and Flower-o-grams, help the club raise money to help benefit the community. As in the past, S-Club visited convelescent homes and helped at registration and Back-to-School-Night. They participated in the annual Hometown Fair, selling Penguins Yogurt and they contributed greatly to the success of Mira Costa's first Pride Day. Sponsored by Mrs. Tafoya and led by Karen Podoll as President, this year's S-Club hopes to be one of the best ever.

The French Club is a club whose aims are concerned with continuing the achievement of French language and culture. French club activities include eating French food, attending French movies and plays, and speaking French whenever possible. The club is sponsored by Mrs. Cameron and led by president Betsy Mohandis.

The Math team consists of some of the brightest Math students at Mira Costa. Club sponsors Mr. Temmins and Mr. Silvius prepare the mathalets for competitions against other area schools and for area tournaments.

Back on campus this year is the Spanish Club. Sponsored by Mr. Hernandez and led by president Bonnie Mills, the club goes on field trips to sample latin cuisine and culture. The club also plans to travel to Mexico.

At the end of every year, the Water Ballet class votes on a theme for the next year. They came up with "To The Stars."

Mrs. Lynn Stone is very proud of her hard working students. She has been teaching Water Ballet for seventeen years.

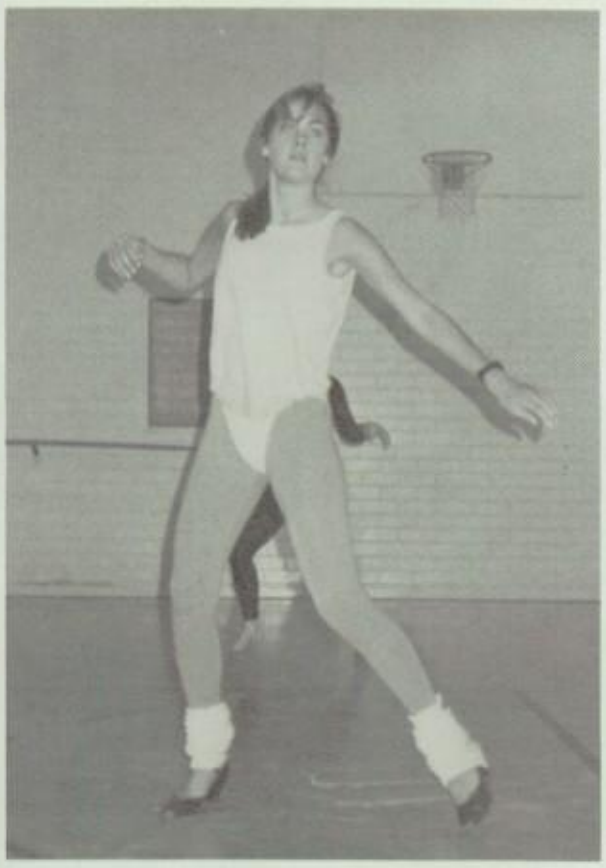
FOLLOWING OUR DREAMS

The Dance Production class may be small this year, but as the saying goes, "better things come in smaller packages." Mrs. Aleta Pottenger believes that with a smaller class, the dancers don't become lost in the crowd. She thinks it is a great group, and will put on a better concert than last year.

The theme for the class is "Following Our Dreams." The dance class isn't sure that will be their theme for their concert. The concert will contain jazz and modern dance.



It is necessary to warm up before dancing.

DRILLED TO PERFECTION

This year's Drill Team was headed by a new supervisor, Ms. Paula Nelson. The girls performed during halftime at all the home football games and they worked very hard to encourage school spirit. They created an exciting atmosphere for everyone, and brought a lot of enthusiasm to our school.

Colonel Adriana Sierra, with the help of her captains and lieutenants, led the Drill Team to obtain such trophies as the friendship boot, superior routine banner, and the superior ribbon trophy. All their performances were well planned and successful throughout the season.

LOOKING GOOD!

The 1986-87 Tall Flags were once more a huge success. Their terrific performances at Mustang games really excited the crowds. The team, with only seven members, was smaller this year. Yet they were still able to please the crowds. Captain **Jennifer Hobson** remarked "although they are first year members, they really performed well and did an excellent job-I'm really proud of them!"

KEYS GO CO-ED!!

Changes in Key Club's membership process, allowing girls to become members instead of mascots, and a deeper commitment to service has, once again, brought Key Club to the forefront among clubs on campus. Under president **Paul Allen**, Kiwanis-sponsored Key Club has continued to uphold their reputation as a benefactor to the school and community. Through such projects as selling burritos at the Hometown Fair, helping the Ridgestone Center and 1736 House, and working at soup kitchens on Skid Row, Key Club has been able to demonstrate its interest in and dedication to the betterment of our community.

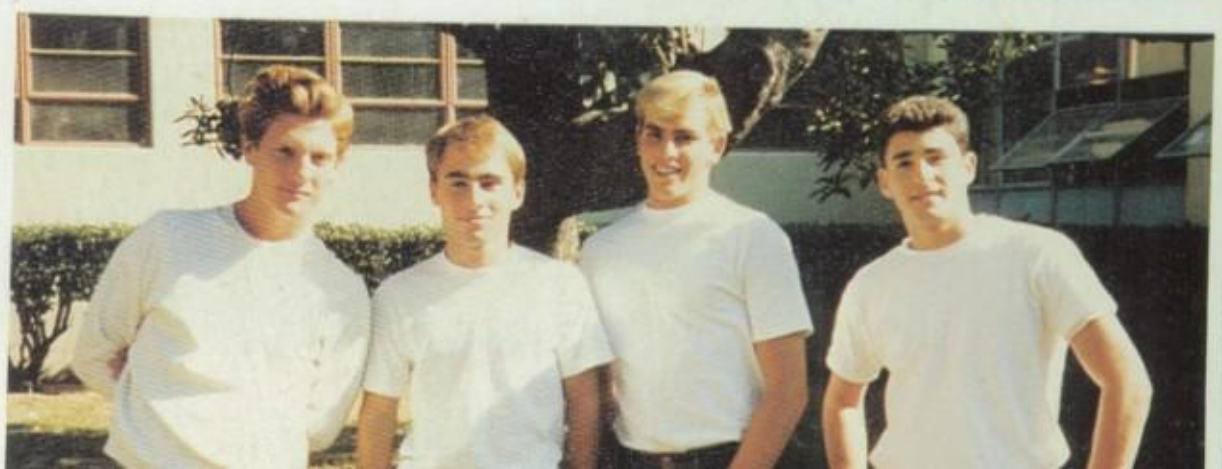
"Key Club has given me the opportunity to meet some fun-lovin' guys", says **Carrie Sauber**.



INTERACTING WITH OTHERS

Shannon Bustos and Kristen Muenzer admire a Christmas ornament for the Richstone Center.

Interact Club members

One of the largest and most active clubs on campus is Interact. Interact is part of an international organization sponsored by Rotary International. The sole purpose of the club is to serve the community in any way possible.

This year President Helen Na, aided by club sponsor Mr. Brissey, has worked hard to live up to Interact's outstanding service record. Club members have devoted both their time and labor to school projects such as Pride Day and the Homecoming Dance, as well as helping in the community service centers 1736 House and the Richstone Center.

LEADERS OF TOMORROW

The primary goal of the U.S. Marine Junior Reserve Officer Training Corps is to teach leadership through practice and implementation. The class teaches subjects ranging from the necessity of capitalism to leading a platoon in drill. This program is an excellent way to learn leadership, get in shape, and become a productive and active citizen in society.

This year there are many freshman participating in the JROTC program. Ist Lt. Eric Bernard is in charge of the freshman platoon while Master Sgt. Mike Nelson commands the upperclassmen. Captain Warren Carruso is the senior cadette of the whole program at Mira Costa and is an example for the other members to look up to.

Led by co-captains Suzanne Green and Michelle Reeves the Shields brought out Mustang spirit at pep rallies and football games. The Shields are an important part of the new school spirit here at Mira Costa, and they are a welcome addition to our Band.

YEARBOOKABILITY

The 1986-1987 yearbook was headed by co-editors **Karin Anderson** and **Mike Hargett**. The 23 member staff worked very hard to meet their approaching deadlines. The five returning members each headed a section. Along with the co-editors, these were **Wendy Hillger, Will Rae,** and **Trina Kurek.**

In spite of the large number of new members to Hoofprints staff, LOOKING FORWARD TO LOOKING BACK has turned out to be a successful and memorable endeavor.

Every three weeks, the eagerly awaited newspaper was compiled, edited, and finally, after lots of hard work, published. THESPIANS

The Thespian's Club, a drama club at Mira Costa, is one of the hardest clubs to obtain membership to. Because it is an International Honorary Organization it is difficult to join and one must earn their way in. This club is responsible for all the plays at school and they also attend plays and tapings in Hollywood together. Besides offering a scholarship, the club also sponsors workshops both in and out of school.

CLASS REPS

The class officers and representatives are those students who take part in activities to help their class. The Hometown Faire is a time when these students are very busy. This year the senior class sold pretzels, junior class pastrami sandwiches, and the sophomores sold lemonade. Another important event that happened between the freshman and sophomore classes, is that they had a competition, during Operation Happiness, to see which class would bring the most cans in. Much hard work and determination by the officers and representatives, show that the classes of 1987-1990 are looking toward the future.

The Freshman Officers, Chris Collins, Jennifer Eastom, Piper Hahn, and Sun Lee, are eager to start another project.

SPIRIT SHINES!

Mira Costa cheerleaders started off their year at a summer camp in Santa Barbara, taking with them many honors and trophies such as the hard working plaque and spirit stick. Captains **Sherry Padilla** and **Shannon Bustos** headed this enthusiastic group.

After the difficult tryouts in May, there were five returning members with the addition of two new male cheerleaders, **Dean Fitzpatrick** and **Brendan Gerrard**. All the long hours of practice paid off for the 1986-87 Pep Club, and a lot of school spirit has successfully been brought back to Mira Costa.

Mira Costa's 1986-87 Marching Band has enjoyed one of its most successful years ever. This year, band, under the direction of Mr. David Hayami, was led by Drum Major Sandra Marbot. The hard work, loyalty, and ambition of the band members produced excellent and enjoyable performances throughout the year.

This year band put on several entertaining half-time shows, helped drum up school spirit at pep rallies, and attended away games. Outside of school the band marched in several parades such as the Temple City Parade, Torrance Armed Forces Parade, and the San Pedro Christmas Parade. The band also gave private performances at the Grand Opening of the Raddison Plaza Hotel as well as other private parties.

FUN CLUBS

The Society for Quality Understanding of Imaginary Dimensions SQUID club) is led in part by Dr. Green along with 4 "elders"-Doug McArthur, Jim Huginin, and Karen Tautanhaum. SQUID club is a science fiction fantasy club and its main purpose is to partake in role playing and Logun games. Elder, Doug McArthur comments that, "this is one of the best years ever-we've seen many movies, had numerous Logun's Runs, and helped to fix the P.A. system in the gym."

This year the Guitar Club was centered around developing and improving the members' musical skills. Mr. Miller, the club's sponsor, led this highly talented group of individuals to a year of rythm and tunes.

This years Chorus was headed by Mr. Mills and participated in many performances in the South Bay area. After hours of practice and tuning their voices, Chorus performed in a number of Christmas concerts and brought in the new year on the right key.

NEW CLUBS

Various new clubs were formed at Mira Costa this year. SANE which stands for Students Advocating Nuclear Eradications was established by John Heil, Laura Lovelace, and Brian Gross. SANE deals with what students at Mira Costa can do to help make the world peaceful.

The executive Club was "founded to promote interest in business among students," said Carl Ulrich one of the presidents along with Inkyo Hwang.

Finally, Peer Counselors are students trained to help other students who are experiencing worries and personal problems.

Not pictured is the Open Door Club headed by Wendy Mosher was to help break down the walls of different stereotype groups.

Hopefully, these new clubs will satisfy the many interests of Mira Costa students.

STUDENT COUNCIL

The meetings will now come to order", exclaims ASB President Brian Gross. And so another weekly Student Council meeting begins.

Not only did the ASB Student Council attend weekly meetings but the Council works hard every weekday to put on great Student Activities and work on projects to better the school environment and benefit the student body.

This year, Student Council started working in the Summer of 1986, going to leadership camp, getting the school budget together, and preparing for the freshman orientation. They worked hard all year long all the way up to graduation.

"This years Student Council was like a family. We all worked together and supported each other on every project", commented Karen Burd, historian "it was a great year."

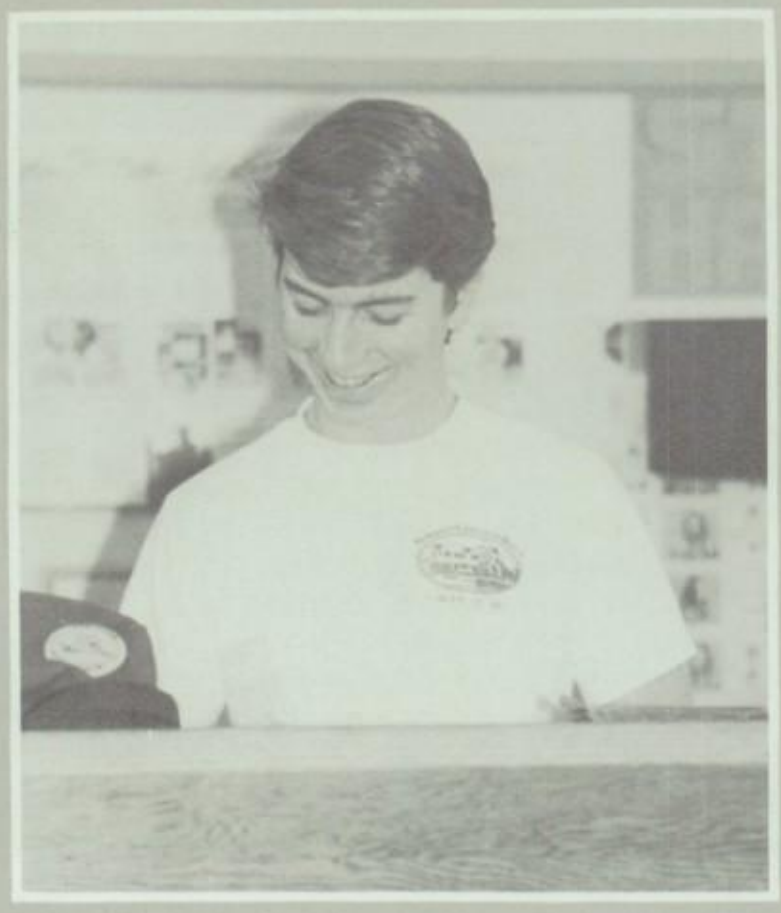
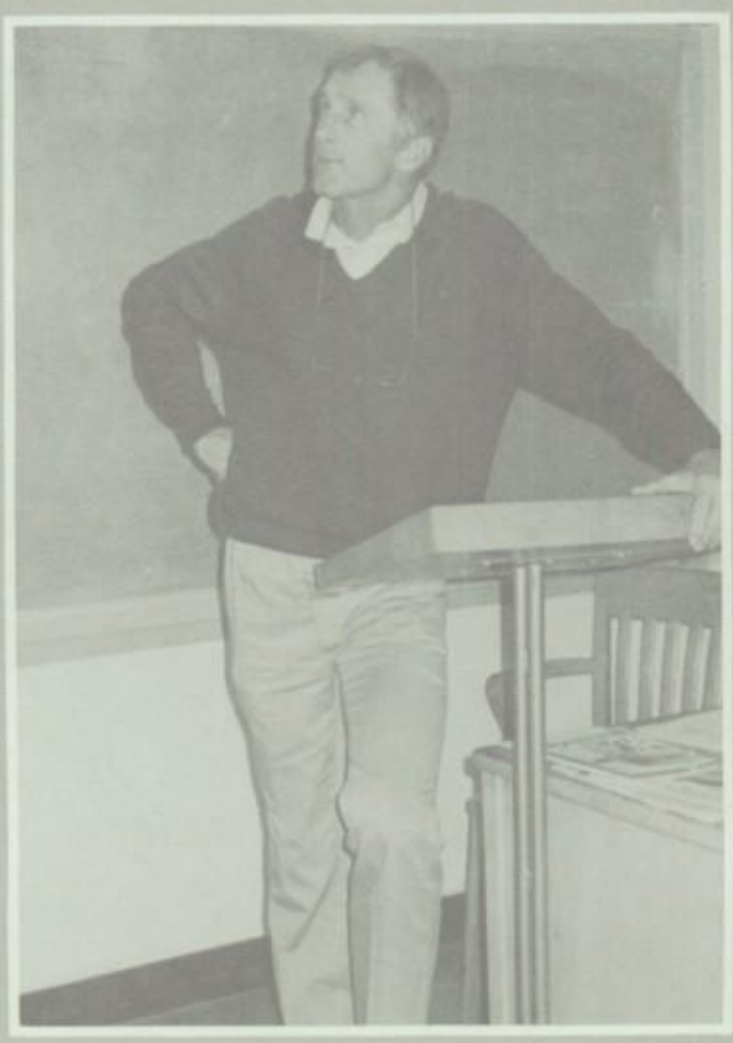
Mr. Ralph Brissey



Being editor Ugh what an experience! I've learned alot this year. I love my staff everyone pitched in to help and each contributed their own special touch. Most of all I'd like to thank my head photographer Wendy. If she hadn't done such a great job the yearbook would be awful. Mr. Miller always saved me when I got in trouble! I think this yearbook is really an exceptional one. I hope all those sleepless nights payed off! Now that the yearbook is done I'm really going to miss doing it. But on to more important things they don't call it ⅞ and AP tanning for nothing!!!

Sunday, 7:55 am. Arrive at school, the famed room 64, to hibernate in the darkroom for 7 ½ hours. Deadlines approached, and passed too quickly; the only element needed for good pictures now is the time to take and develop them; the talent has been acquired through two years of walking my beat- the Mira Costa campus.

Editing was one of the toughest yet most rewarding duties on the yearbook staff. As Yearbook Editor I worked on many different things such as photography, layouts, and production of the yearbook. Karin, Wendy, and I both put a lot of effort into bringing the yearbook together. I learned a great deal since joining the staff and Mr. Mike Miller was an excellent advisor. I had a lot of fun during the two years as a staff member and I shall never forget the experience.



A DAY OF PRIDE

On a sunny weekend day, Saturday, November 15, 1986, 400 students and 75 adults gave up their personal time to come to school and participate in Mira Costa's Pride Day, which was organized by the ever famous Government teacher **Mr. Jim Ruderman**. Eight 'o clock a.m. marked the beginning of a hard days work, in which landscaping, painting, and various types of cleaning was accomplished. These volunteer community workers were full of motivation, spirit and determination to beautify their school until the conclusion of the event at 12 noon. In the eyes of all, Pride Day was seen as a beneficial undertaking greeted with much enthusiasm and ended in a huge sucess. "There was complete and total cooperation with students, Mira Costa Circle and the business community" stated **Mr. Ruderman**.

Mr. Ruderman takes a break to smile for the camera.

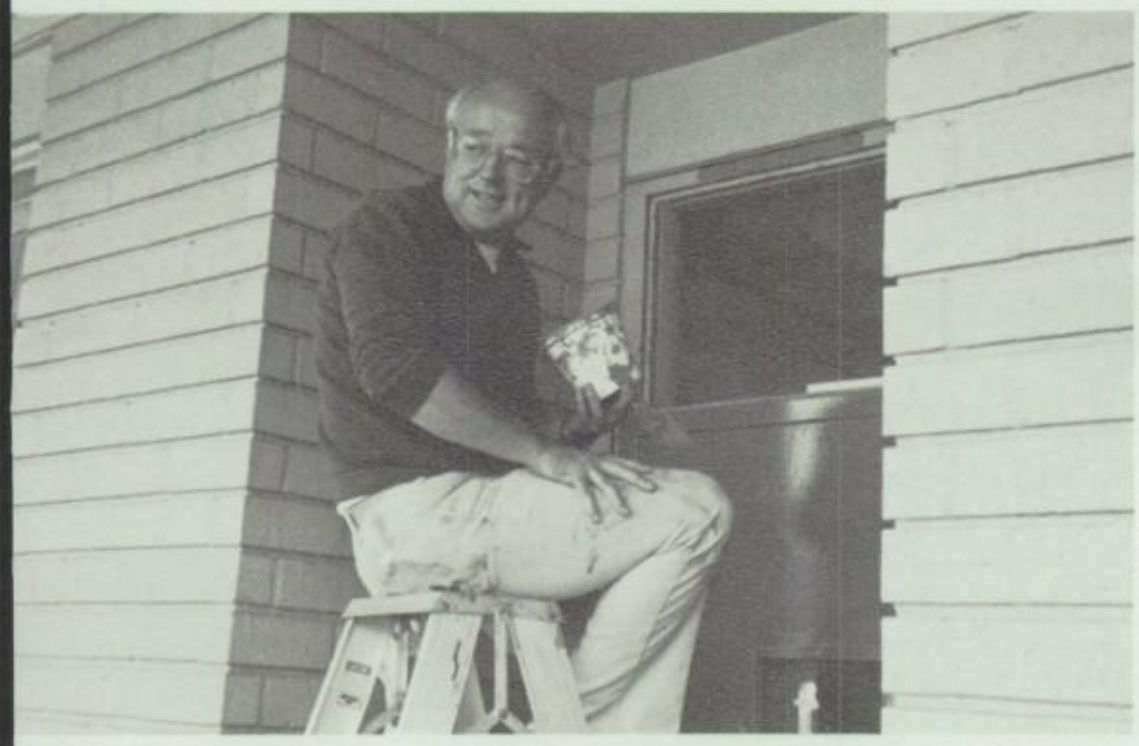
With a smile, **Dawn Stone** works on gardening.

Wendy Mashburn and **Tracy Benes** have a good time while painting.

Annie Salas and **Tara Walters** are hard at work painting the poles.

Tom Pierslin and Jeff West do a great job on painting the poles.

David Townsend helps out in the science area.



Mrs. Estill works hard at gardening.

Mr. Hartzell helps paint the guidance doors on Pride Day.

Rainy Chrisman works hard at painting.

MISS M.B.

Manhattan Beach is 75 years old and during this anniversary year a young lady would be chosen as Miss Manhattan Beach. **Carolyn Miller** was crowned queen because of her academic ability, community service, school contributions, and athletic display. **Carolyn** has maintained a high GPA while participating in Cross-Country, Track, and Soccer. She also is Co-Commissioner of Publicity of Student Council and a member of Key Club, Girls' League, and S-Club.

Kristin Muenzer, Jennifer Olson, Sharon Fujikake, and **Jennifer Erhard** are the four princesses of the court. These girls will participate in the 75th Anniversary parade and represent the Manhattan Beach community throughout the entire year.

1987 Miss Manhattan Beach Queen was
lyn Miller.

Carolyn Miller being crowned queen.

The queen and her court: **Sharon Fujikake, Jennifer Olson, Kristin Muenzer, Carolyn Miller,** and **Jennifer Erhard.**

MAN EATING PENGUINS SPOTTED AT CALIFORNIA BEACHES.

The first was spotted in Hermosa Beach. Then two more just south of Huntington. And without any warning at all, millions appeared from California to Colorado.

Some had hairy faces. Others were big and muscular. But all had one thing in common.

A large cup of Penguin's Place Frozen Yogurt in their hands.

Why is this species so attracted to Penguin's? Perhaps it's the rich taste. Or the fact Penguin's has about half the calories of premium ice cream.

Or maybe it's something else. Like the great looking women eating Penguin's.

Yes! We're sisters!

I've got u babe

Times Spent together
Cars we use
All the money we spend
The clothes we choose
Weekend night movies
Walking in the park
Telling our fears
Scared of the dark
Money to lend
The stuff we buy
Our "private" talks
About all the guys
The fun we've had
May it never end
We want it to last
And always be friends!!!

A Forever Friend

A forever friend
is one that's true,
one that laughs
and cries with you.
Though born as two
you act as one,
through thick and thin
through all the fun.
She knows your thoughts
before you speak,
knows the mental bond
is hardly weak.
Feel the strength
within the bond,
Growing stronger
as life goes on.
Together forever,
forever that's true.
You're here for me
and I'm here for you.

* Happy B-day and Happy graduation! I love you so much! You are a golden friend. you, Karin.

There are lovers, there are friends and its hard to tell where one begins and the other ends. But there are those the ones like you, who have somehow found a way to be two. But the long winding road that leads to your door will never disappear, I've seen that road before it always leads me here, leads me to your door. Just call my name and I'll come running to let you know I'll be your friend forever . . . I LOVE YOU!

A true friend is the medicine of life.

Friends are hard to come by,
Friends are hard to choose,
A real good friendship never dies,
Good friends you never lose.

A friend is someone who
knows all about you
but loves you anyway.

Forget me not,
Forget me never,
'cause I Want to be
your friend forever.

Hi, how are you? Are you going to the stables today? Kim did you pass out again? If it is a long story make it short.

Lena, I don't intend to:
The memories are forever
And so is my love

Steve

Steve, We've been through so much together, much that I'd never want to give up or share with anyone else. We have love and the closest of friendships. We've laughed and cried and fought and talked. But most of all, we've always known that the feelings are shared. What we have will always live in our memories, if not our hearts. I want you to always remember being happy as I know I will. I'll always love you, Steve.

Backstreets until the end

One soft infested summer,
Me and Terry became friends,
Trying in vain to breathe the fire
We were born in,
Catching rides to the outskirts,
Tying faith between our teeth,
Sleeping in that old abandon beach house
Getting wasted in the heat
And hiding on the Backstreets
Hiding on the Backstreets
With a love so hard and filled with defeat
Running for our lives at night on them backstreets
Slow dancing in the dark
On the beach at Stockton's wing
Where desperate lovers park
We sat with the last of the Duke Street Kings
Huddled in our cars
Waiting for the bells that ring
In the deep heart of the night
We let loose everything
To go
Running on the Backstreets
Running on the Backstreets
Terry you swore we'd live forever
Taking on them backstreets together

Well endless juke joints and Valentino drag
Where dancers scraped the tears up off the streets decked out in rags
Running in to the darkness
Some hurt bad some really dying
At night sometimes it seemed
You could hear that whole damn city crying
Blame it on the lies that killed us
Blame it on the truths that ran us down
You can blame it all on me, Terry
It don't matter to me now
When the break down hit at midnight
There was nothing left to say
But I hated him, and I hated you when you went away
Laying here in the dark
Your like an angel on my chest
Just another tramps of hearts
crying tears of faithlessness
Remember all the movies, Terry
We'd go see
Trying to learn how to walk like the heros
We thought we had to be
But after all this time to find
We're just like all the rest
Stranded in the park
And forced to confess to
Hiding on the Backstreets
Hiding on the Backstreets
Where we swore forever friends
On the backstretets until the end.
Love you guys, Skid.

Families are Forever
They always mean so much
The big bright smiles and
frequent hugs
That keep our family in touch.

It's the quiet understanding,
The laughter we all share
The little deeds of
thoughtfulness
That show how much we care.

And, what a world of
happiness
These little gifts can bring,
For they start a lasting
treasury
Of fond remembering.

Diz, its been a fast 9 yrs, and it seems like I've known you for my whole life. We've had some ragin' times that I will never forget. Your house, dancing, trips to El Som, to "the mountains", movies, Boy's houses, shopping and just laughing because we're too tired to think. It's been real. Love ya always Laurie. Linda.

HOLMY,

It was cool having you
in our Biology class. I still
think your ~~re~~wrong about God and
the marines SUCK. your friends
are dorks (Ted). but I'm glad I
met you (for the firecrackers) (turn to P61 H

Hey Todd,
I got a new one dingo-dongo, How's that one
Pretty good aye? So it's been fun in JROTC except
for Rodney, Sean, Mike H., and Kenny

Have a Shreddin' summer

Later,
John (Tommy Shred)
P.S, call me about Paint Wars
and I also have your WINGS
Book. And don't take to much!"

Later, --
John
(Tommy Shred)

Looking Back!

Todd- Chris is such a dork! J/K! Even
though you teased me alot I'm glad that
we are friends! Have a great summer!
right)
P.S.- I don't think
the marines suck!
♡ ya,
Zoe
